This event is held under the joint auspices of the Boys and Girls Clubs of America and USA Swimming. The participants, officials, coaches and parents attending are expected to conduct themselves within the rules and expectations of these two organizations. Below we will outline the guidelines that must be adhered to at this event. This is not meant to be an exhaustive list, but a description of the general behaviors expected.

Expectations:

The Boys & Girls Clubs enforce the following four codes of conduct:

- Respect for all persons and property.
- Respect for facilities and equipment.
- Respect for all staff, volunteers, and officials.
- The following are strictly prohibited:
 - Cursing, swearing, racial remarks or any other form of verbal abuse.
 - Fighting or any other form of physical abuse.
 - Use or possession of controlled substances, weapons, and intoxicants.
 - Smoking, chewing, or any other use of tobacco products.
 - Music containing inappropriate or suggestive language.
 - Photography outside the officially designated Camera Zones.
 - Changing into or out of swimsuits other than in locker rooms or other designated areas is prohibited.

USA Swimming has the following among its rules:

Ver. Working

304.3.12 It is a violation of the USA Swimming Code of Conduct if there is any non-consensual physical contact, obscene language or gesture, or other threatening language or conduct directed towards any meet official and which is related to any decision made by such official in connection with a USA Swimming competition.

304.2.15 Any other act, conduct or omission which is detrimental to the image or reputation of USA Swimming or the sport of swimming.

Authority

The Meet Referee has the authority to enforce the above, as stated by rules of USA Swimming as follows

102.13.1 The Referee shall have full authority over all officials...shall enforce all applicable rules and shall decide all questions relating to the actual conduct of the meet, the final settlement of which is not otherwise assigned by said rules...shall also disqualify a swimmer for any violation of the rules...

In addition, Florida Swimming, who approves this meet, has the following rule:

239.2 Any individual (parent, coach, swimmer, official, or spectator) displaying unsportsmanlike conduct will first be warned to cease such conduct and if the behavior continues the Referee or meet management will eject the

individual from the facility.

Let's have respect for others so that all of us will have a great meet!

2023 Boys and Girls Club National Swimming Championships Critical Information

Remember to observe the entry limits (3 events/day) and remember that: ***If a swimmer does not meet the qualifying time for an event swum at the meet, proof of the previously swum qualifying time may be required to be provided to the Clerk of Course within 30 minutes of the swim and prior to that swimmers next event or a \$15.00 fine may be required to be paid before the swimmer will be permitted to swim their next event in the meet. Awards and points will not be awarded for a swim that is not faster than the qualifying time and is not proved within 30 minutes. These fines must be paid to the Clerk of Course. Team's will be responsible for all outstanding fines. Before being permitted to enter any future Boys & Girls Club National Championship Meets Teams MUST settle all fines.***
2. The 10&Under Age Group Finals will include the top 10 swimmers from preliminaries. 11&Over Finals will include the top 20 swimmers from preliminaries. Special Awards are now awarded to the top 20 swimmers in individual events and the top 10 teams in relay events.
3. Individual High Point Awards are awarded to the top 5 individuals in each age group.
4. As you know, the location of the meet this year will be the Northshore Aquatic Complex. The Complex has a large bleacher area for spectators, although it will not hold all spectators and swimmers. As this is the best area for spectator viewing of the meet, and swimmers have deck seating at the East (Bay) end of the pool, ***NO swimmers will be allowed in the bleachers during the event.*** If your team would like to arrange to rent a tent for the meet as teams have done in the past, please contact the facility as soon as possible so they can steer you in the correct direction.
5. **Only credentialed swimmers, coaches, volunteer meet workers, and officials will be allowed on deck in areas other than those designated for spectators.** Please help us in keeping spectators off the rail in front of the

Ver. Working

bleachers as it is required by the Fire Marshall. People not adhering to this rule will be warned once and then ejected from the facility.
6. **PARKING** - All parking will be in the lots to the north and south sides of the pool. No parking is allowed in the grass or on sidewalks. Cars doing so **will** be towed or ticketed.
7. Please note the **REQUIREMENT** for each team to **provide timers**. Your Team's timing assignments will be posted on the Meet Web page. This has worked very well over the years, and your continued cooperation in this regard will make the meet go smoothly. Thanks in advance.
8. USA Swimming teams—**WE NEED YOUR HELP WITH OFFICIALS FOR THE MEET**. If your team has officials, PLEASE ask them to come to the meet and help out. Any help we can get is greatly appreciated. Please have your Officials e-mail, Head Referee, Bob Griffiths (Griffiths.Bob@Verizon.net), that they will be able to work the meet. As is custom with our team, Officials working three sessions or more will receive a gift of appreciation from CVST.
9. As you should know this meet is run as a USA Swimming Approved meet, which means that both USA Swimming and Non-USA Swimming swimmers compete. Times earned by USA swimmers are approved and accepted as official.
10. **Body Paint** on anyone entering the pool is prohibited, as are **artificial noise makers** anywhere in the Aquatic Complex.

If you have any questions, please contact Jan Volz at 813-760-9869 or visit the CVST website at www.CVST.org.
