*[www.swimoutlet.com/CVST](http://www.swimoutlet.com/CVST) has All Your Swimming & Training Needs*

*Carrollwood Village, Florida – Carrollwood Village Swim Team (CVST) is proud to partner with SwimOutlet.com as the team's official online store for custom team products, training gear and the best performance swimwear at [www.swimoutlet.com/CVST](http://www.swimoutlet.com/CVST).*

At [www.swimoutlet.com/CVST](http://www.swimoutlet.com/CVST) you can shop for swim suits, goggles, caps and more, while supporting CVST at the same time.

Carrollwood Village Swim Team has partnered with SwimOutlet.com, the web's most popular swim shop, in developing the team store through SwimOutlet.com's new Affiliate Store Program. A percentage of sales made through the web portal:

**[www.swimoutlet.com/CVST](http://www.swimoutlet.com/CVST)**

go directly back to the team on commission, providing us the chance for fundraising with our own online team store.

The storefront will be used as a fundraising tool, which can feature all the products anyone could want on our own online store. Other Teams, athletes, instructors, pools, parents, and friends can order the gear they need all in one place while benefiting CVST at the same time.

***Thank You for supporting CVST!***
