

T2 Aquatics 2019-2020 Season

High Performance Group Information Sheet

Athletes in this group must be committed to creating a high-performance training environment. This is the “all-in” squad of T2 Aquatics. 100% commitment to the swimming, dryland and meet schedule is mandatory. Our daily, weekly and yearly training plans focus on peak performance during the highest level meets. Our philosophy remains “Versatility is the key to Excellence”. We train all four strokes and work from endurance to speed. Swimmers will also be trained to achieve success as a collegiate athlete.

- **Performance Guides to entry: Southern Sectional Championship qualifying time standards**
- **Age 14, 9th grade**
- **The training standard is higher and is constantly moving up.**

- **Strokemaker Hand Paddles:** (Please ask a coach for proper sizing. These help with stroke power and technique in all strokes but mainly in Freestyle.)
- **Arena Freeflow Pull Buoy:** (This is for freestyle pulling sets. It helps with body position in the water.)

Meet Attendance – What If I Am Unable To Attend A Meet or Certain Days of a Meet?

T2 Aquatics has a schedule of meets and a list of groups that attend each meet posted on our website under “Events”. Some of the meets have specific qualifying times – so be on the lookout for those standards. If you can attend the meet, great! T2 Aquatics is geared towards competitive swimming and having young athletes attend these meets. If you cannot attend a meet please log into your account on www.t2aquatics.com to Opt Out.

Each meet will have a deadline to Opt Out. Once we send the entries to the host team, we usually cannot adjust the entries. There is a fee for each swim meet and may be different depending on the type of meet. **Opting out of meets is up to YOU.** The meet schedule will be up on the T2 website for months in advance and will also be included in email communication.
