

T2 Aquatics Swim Meets

Meet Schedule

T2 Aquatics aims to have a meet for swimmers on the team every 3-6 weeks, depending on the time of year and the swimmers training and competition schedule. The meet schedule is posted on our website. If you are ever unsure of which meets are for which swimmers, please email a coach. Swim meets are a very important part of what we are doing at T2 Aquatics and participating is encouraged.

How to Opt Out - What if I Am Unable To Attend A Meet Or Certain Days Of A Meet?

T2 Aquatics has a schedule of meets and a list of groups that attend each meet posted on our website under “Events”. Some of the meets have specific qualifying times – so be on the lookout for those standards. If you can attend the meet, great! T2 Aquatics is geared towards competitive swimming and having young athletes attend these meets. If you cannot attend a meet please log into your account on www.t2aquatics.com or use the Team Unify On Deck app to Opt Out.

Each meet will have a deadline to Opt Out. Once we send the entries to the host team, we usually cannot adjust the entries. There is a fee for each swim meet and may be different depending on the type of meet. **Opting out of meets is up to YOU.** The meet schedule will be up on the T2 website for months in advance and will also be included in email communication.

Relays:

At some meets T2 will participate in relays. Relays are usually at the end of sessions and we assume that all T2 swimmers will be available for relays. The relays are picked by the T2 coaching staff and in most cases, they are picked by best individual time. We always try to represent T2 with the fastest relay or relays as possible. Sometimes we have an “A” relay, and sometimes we have “B”, “C”, and even “D” relays. Swimmers should always ask their coach or coaches about their relay status before they leave the meet for the day.

Timed Final vs Prelim/Final Meets:

Timed Final Meets: Most meets are “Timed Final” meets. This means that each athlete will compete in their events one time.

Prelim/Final Meets: Several meets during the year are “Prelim/Final” meets. These are meets that have qualifying heats in the morning and then “final” heats in the evening. There may be 8 or 10 finalists for each event depending on the number of lanes in the pool. Sometimes, usually just for “Open” (15 and older) or “13-14” age groups, there are 2 heats of finals bringing the number of finalists to 16 or 20.

After the prelims session the results are posted and announced. Swimmers then have 30 minutes to “scratch”, which is declaring that they will not be swimming in finals. After the 30 minutes has passed then the remaining top 8, 10, 16, or 20 swimmers will be in “finals”.

There are also alternates designated after the 30 minutes have passed. These alternates have the opportunity to go to finals and will be put into the final if a swimmer scheduled to swim in finals does not show up. If you are scheduled to swim in finals after the 30 minute time period has passed and you do not show up for the final you will be removed from your next scheduled event at most meets.

T2 Aquatics athletes are 100% expected to attend finals on the days that they are competing. It is a part of our sport and GREAT things often happen at finals!!!
