Distance:

800-Freestyle - Positive check-in by the scratch deadline for Thursday's 800 free is required to compete. Heats will be swum slowest to fastest, alternating heats of women and men, with the fastest eight women in the second last heat and the fastest eight men in the last heat. The event will be scheduled to start so that the last heat of the men's event will conclude no later than approximately 30 minutes prior to the start of Thursday's Timed Finals.

1500-Freestyle - Positive check-in by the scratch deadline for Sunday's 1500 free is required to compete. Positive check-in is not required. The 200 free and 200 medley relay will swim in the preliminary sessions. If preliminary heats are swum in flights, the relays will be swum between the A and the B flight. All other relays will swim at the end of the finals session.

Scratches:

Events will follow the scratch rules as defined in section 207.11.6 of the 2022 USA Swimming Rulebook with the following modifications:

Each swimmer is limited to a maximum of two time trials during the course of the meet and time trials will count toward the swimmer's individual event total for each day, but not the meet total.

The order of events in time trials will be that day's events followed by the remaining events in the meet. The 50's will be the last events swum in time trials each day.
