<b>COACHES MTG</b>	There will be a coaches meeting on Friday morning at 8:00am in the hospitality room.
<b>CAMERA ZONES</b>	Per Florida Swimming Rule 223.13, Meet Management shall designate and inform the public of “Camera Zones” at each swim meet where both still photography and video photography of a race or race competitor in a race may be taken. Acceptable “Camera Zones” may include, but are not limited to the side course of the pool, team gathering areas, concession areas, turn end of the competition course when not in use as a “start-end”, etc. Meet Management shall designate “Non-Camera Zones”. Under NO circumstances will Camera Zones include the area immediately behind the starting blocks at either end of the racing course(s) while they are in use for “race starting purposes” during competition and warm ups, locker rooms, rest rooms, or any other dressing area. Any individual failing to abide by this rule could be subject to the Florida Swimming Code of Conduct violation as defined in Rule 239.2.
<b>FACILITY &amp; SPECTATORS</b>	This meet will operate with a closed pool deck per USA Swimming and Safe Sport guidelines. This means only swimmers, coaches, officials and assigned meet volunteers will be allowed inside the designated competition course for any given session. Spectators will only be allowed in designate viewing areas, which may be standing room only without seating options due to facility renovations. This rule is in place for both the safety of our swimmers and the efficiency of our meet operations. We appreciate your help and understanding with this policy.
<b>VOLUNTEERS</b>	The Rosen Aquatic & Fitness Center is a membership based facility that no longer has a resident swim team and holds events solely for the benefit of the Florida Swimming community. Therefore, meet volunteers will need to be provided by the attending teams for each meet. This event will require each team to provide approximately one meet volunteer for every ten (10) swimmers entered. We will provide an electronic volunteer sign up link once the entry deadline closes and ask that you send this link to your attending parents. We will not specifically assign, fine, call out or condemn teams to provide volunteers during the meet, but we will not start the meet until we have all needed volunteers in place for each session. We appreciate your help and understanding with this policy.
<b>CONCESSIONS</b>	Concessions will not be available at this meet.
<b>ENTRIES</b>	Entries must be in USA Swimming SDIF format or Hy-Tek CL2 format. Entries should be emailed to <a href="mailto:RAFCentries@gmail.com">RAFCentries@gmail.com</a> . You will receive an email confirmation within 24 hours of submitting your entries. If you need to submit updated entry files, you can submit a new form and file to the same email address up until the entry deadline. Entry questions can be emailed to <a href="mailto:RAFCentries@gmail.com">RAFCentries@gmail.com</a> .
<b>DECK ENTRIES</b>	Deck entries will not be accepted at this meet.
<b>ENTRY LIMITATIONS</b>	The meet will be limited to either the first 1000 swimmers received and/or the team who puts the timeline longer than 4 hours per session. Swimmers are limited to three (3) individual events per day and a maximum of ten (10) individual events for the meet plus relays.

Swimmers who are excluded from events with seeding limits will be either refunded or allowed to deck enter into alternate events, (subject to event limitations).

**ENTRY DEADLINE** Entries must be received by 11:59 pm on Tuesday, November 23, 2021 using the submission process detailed above. No phone or fax entries accepted.

timed final events and all heats will be swum in the afternoon preliminary session fastest to slowest.

The 1000 Free and 1650 Free are deck-seeded timed final events. Age groups will be swum together by gender, but scored separately, and heats will be swum fastest to slowest and, if one pool is used, alternating one female heat followed by one male heat. All heats of the 1650 Free will be swum during the Thursday evening timed final session and all heats of the 1000 Free will be swum during the Sunday preliminary session and both events will be limited to the fastest 32 female and 32 male swimmers regardless of age. Proof of time may be required to be seeded and/or to swim. The Meet Referee may combine the slowest heats of each gender into one heat and swim it in the order of the gender with the fewest number of heats. If the event in one pool is projected to be completed sufficiently far in advance, the Meet Referee may elect to move remaining heats from the other pool to it. Decisions on combination of heats or movement of heats will be announced at least one hour before the expected start time of the first 1000 event.

The 13-14, 15-16, and Senior 400 IM and 500 Free are deck seeded prelim/final events and limited to the fastest 64 swimmers of each gender regardless of age group. During prelims, all age groups will be swum together by gender, but separated for finals. Preliminary heats will swim fastest to slowest and the fastest three heats of each gender will be circle seeded.

## **SCRATCHES**

We will be using a virtual scratch table. Details and procedures will be available at the admin/check in table on deck at the meet.

PRELIMS – There is no penalty for scratching on the block in the Preliminary events with the exception of deck-seeded events. Any swimmer entered in an individual event that is “deck seeded” who has checked in for the event, must swim the event unless he/she notifies the clerk of course before the seeding for that event has begun, that he/she wishes to scratch. Failure to do so and not swim will result in the swimmer being barred (scratched) from the next individual event (preliminary or timed final) in which the swimmer is entered. Declared false starts will be accepted from the swimmer prior to the start of the heat.

FINALS – Any swimmer who competes in a preliminary heat and qualifies for either championship or consolation finals and fails to swim in the final without notifying the Meet Referee that he/she may withdraw from the finals within thirty (30) minutes after the announcement of qualifiers for that event and further fails to declare his/her final intention within thirty (30) minutes of his/her last individual preliminary event, will be penalized by being automatically scratched from their next individual final or individual event, whichever occurs first. The Referee may insert the next eligible swimmer into Finals or Consolation Finals once a “failure to swim” is declared and in any vacant lanes resulting from the penalty. Declared False Starts in Finals will be considered a “failure to swim” and will draw the same penalty. In the event of an illness or injury, certified to the satisfaction of the Meet Referee, there will be no penalty.

<b>SCORING</b>	Individual events: 9-7-6-5-4-3-2-1 Relay events: 18-14-12-10-9-6-4-2

<b>TEAM REP</b>	Prior to the start of the meet, the name of one person other than the coach who will check with the referee about any matter pertaining to the meet must be given to the referee. Only that person and the coach will be recognized.
<b>COACHES/OFFICIALS</b>	All coaches and officials on deck must be registered and certified with USA Swimming. Coaches and officials shall wear USA Swimming registration cards in a conspicuous location at all times while on deck during the meet or prove current registration with Deck Pass. There will be a coach/general meeting at the date and time listed in the Deadline and Meeting Summary. Other meetings may be held at the meet referee's discretion.
