Parents and Swimmers,

Attached is the 2017 SHS Team Apparel Form. Here are a few quick points:

- The forms are due back to Coach Ackerson NO LATER THAN Tuesday, August 29. The money should accompany the form, but if you need time, please explain on the form. The absolute cut-off for the cash or check is Tuesday, Sept. 5.
- The Team Support Fee of \$30 (per family) is mandatory. If you have an objection to this, please email Coach Ackerson at [swimseminole@hotmail.com](mailto:swimseminole@hotmail.com). An alternate fundraising opportunity can be provided, but ALL swimmers and divers must participate, preferably paying the support fee. Several other high school teams have similar fees of \$200 or more.
- The only required fees are team support (\$30), and a team t-shirt (\$12). Swimmers will not be allowed in the official team yearbook photo without a team t-shirt. The team shirt should be worn on all swim meet days, and to any competition.
- If you have a swimsuit from previous years, you may wear it in dual meets. If you want to skip buying a team suit, you can wear any SOLID BLACK suit in dual meets, provided that it has no ties, zippers, or fasteners. See Coach Ackerson or Coach Brittany if you have any questions. JOLYN SWIM SUITS CANNOT BE USED IN COMPETITION.
- We also provide a Noles latex team cap at no charge. If you want the silicone team cap, personalized with your last name on it, there is a \$25 charge for two caps (due to the rules in printing personalized caps, you have to purchase two).
- Suits are not something that can be exchanged if you don't like the fit. If you're unsure about size, seek out the opinion of one of the girls or boys on the team, or ask your coaches.
- You can order as many t-shirts as you wish for additional family members.
- MAKE ALL CHECKS PAYABLE TO SHS BOOSTER CLUB.

Thanks,

Tony Ackerson
