

School Year Swim Lessons

Tampa Bay Aquatic Club Stroke School is committed to teaching athletes of all ages competitive swimming skills. Our stroke school is designed to prepare athletes to join the competitive club team in the near future. We do not specialize in survival, learn-to-swim lessons, but are happy to recommend other great programs in the area.

Our staff is committed to the safety of our swimmers, our instructors, and their families. Coaches will wear PPE gear in the water during lessons. Please help us maintain a safe environment by wearing a face covering and social distancing if you are on deck.

Private Lessons are offered during the school year, in the spring (March to May) and in the fall (August to October), on a first come first serve basis. Space is very limited during the school year. Semi-private lessons are available upon special request, but you must provide both swimmers for the lesson.

Swimmers should wear an athletic swimsuit (no bikinis please), and bring goggles, a water bottle, and a towel for each lesson.

Lesson Cancellations need to have 24-hour notice or you will be charged for the lesson. We are **NOT** able to offer a make-up if a lesson is missed for personal reasons.

Please contact Coach Kelsey to schedule evaluation or register for private lessons: kmharrison314@gmail.com.

Private Lessons \$30 per session	Semi-Private Lessons \$27.50 per swimmer	Fall 2021: Lessons are scheduled on a 1st come, 1st serve basis.
