

PreTeam Summer 2021

PreTeam is a non-competitive training group designed to prepare athletes to join the swim team. PreTeam practices twice a week with the Bronze Group for a nine-week season (Fall, Spring, or Summer). At the end of the season, some athletes may be invited to join the Bronze Group full-time. Athletes who are not ready for the club team yet are welcome to sign up for another season with PreTeam.

PreTeam athletes are level 5 swimmers (see Swim School Levels). They can comfortably swim a full 25 yard lap of freestyle and backstroke, and have a strong breaststroke and butterfly kick. In PreTeam practices, we will continue to work on all four strokes to make them efficient and legal. They will also continue practicing blowing bubbles, breathing, and streamline. Additionally, swimmers will begin learning dives, backstroke starts, flip turns, open turns and lane etiquette.
