

Summer Stroke School

Tampa Bay Aquatic Club Stroke School is committed to teaching athletes of all ages competitive swimming skills. Our stroke school is designed to prepare athletes to join the competitive club team in the near future. We do not specialize in infant survival & learn-to-swim lessons, but are happy to recommend other great programs in the area.

Summer Lessons: swimmers must commit to a full 3-week session (6 lessons total, 2 per week for 3 weeks). Each lesson is 30 minutes long. Lessons are scheduled for the same time on Tuesday and Thursday. Semi-private lessons are available upon request during private lesson time slots only. Families are encouraged to register for all three sessions upfront. We cannot guarantee your same day/time slot will be open later in the summer. Swimmers should wear an athletic swimsuit (no bikinis please), and bring goggles, a water bottle, and a towel for each lesson.

If TBAC is forced to cancel a lesson due to weather or other unforeseeable circumstances, we will try to make up the lesson at your scheduled time on Friday of that same week. We can only make up one lesson per week. Make-ups will not be scheduled when the team has to travel for a meet, or once the session has ended. It is possible that we will not be able to make up every single rained out lesson. We are NOT able to offer a make-up if a lesson is missed for personal reasons.

<p>Private Lessons \$180 per swimmer</p>	<p>Semi-Private Lessons \$165 per swimmer</p>	<p>Group Lessons \$150 per swimmer</p>
---	--	---

<p>Summer 1 May 31 - June 16 Summer 2 June 21 - July 7 Summer 3 July 12 - July 28</p>	<p>Full schedule is available on our team website (tbacbrandon.org) on the 'Swim School' tab.</p>
