Favorite Swimming Memory:

Winning 2nd place in the 200 & 500 free at the PVC meet Freshmen year. Also at my last swim meet when I swam against my sister in the 500, I looked up at the board and realized that I went under 5:30.

Number of years swimming with the Hurricanes:

2 years

Future Plans:

Attending GCSU, majoring in premed (bio), completing med school, and having a career as an anesthesiologist.

Advice for swimmers:

Don't be afraid to push yourself beyond your limits because the satisfaction that you feel as a result of that hard work outweighs the pain. Also, never take yourself too seriously. You'll miss out on all those moments that make swimming fun.

2022 HURR SENIORS

A huge thank you to the parents, officials, volunteers, Board of Directors, and all those who have helped make this season a success! Your countless hours spent driving to the pool, timing and officiating at meets, and most importantly – cheering and supporting our swimmers – are what makes this team so great.
