Acceptance and Understanding of Team Rules & Disciplinary Guide

I have read and received a copy of the Camden County Boomers (CCBSC) Team Rules and Regulations. I understand that this contains all of the pertinent information regarding any and all fees associated with the CCBSC and who I should contact should I have questions regarding my account. I also understand that this contains pool rules and guidelines that need to be followed in order to use any pool utilized by CCBSC as a team.

My swimmer(s) and I have read and received a copy of the CCBSC disciplinary code. We understand that this outlines how the swimmer(s) are expected to behave during or at an activity or function that is associated with the CCBSC including, but not limited to: swim practice, swim meets, team trips, team outings, or individual group outings and addresses objectionable behavior by members of CCBSC occurring outside of club activities. In addition to the disciplinary code, my swimmer(s) and I have also read and received the CCBSC's no tolerance policy regarding Bullying and the USA Swimming Minor Athlete Abuse Protection Policy.

My swimmer(s) and I have read and received a copy of the CCBSC Code of Conduct for Swimmers and Code of Conduct for Parents. Both of these outline how the CCBSC expect our swimmers and parents to treat each other, their/our equipment, and our coaches.

If you have any questions or concerns about any of our policies, please feel free to contact one of your board members.

Team Rules and regulations

The registration forms must be signed and on file before swimmer registration can be completed. If applicable, a 2 week trial period is allowed **and a parent or legal guardian must remain on deck for the duration for the practice**. All fees must be paid in full and a copy of your child's current USA swimming membership card must be on file with the team secretary before swimmers are allowed to participate in and compete in a swim meet.

Parents or guardians are responsible for updating their contact information on the CCBSC Team Unify website (www.boomersswimclub.com). It is vital that key phone numbers, email addresses and home addresses are current at all times.

Members who are more than 45 days delinquent on their fees or dues are subject to suspension until the balance is paid in full.

If an account balance is not paid prior to the 20th of the month, you will be charged a 5% late fee for your outstanding balance. Invoices are available at all times on the CCBSC website (www.boomersswimclub.com). If you are having financial difficulty, contact the CCBSC Treasurer at boomerstreasurer@gmail.com to discuss your financial situation.

Swimmer fees must be paid prior to being entered into any future swim meets.

USA Swimming registration fees are added to invoices on October 1st of each year. They must be paid to CCBSC by **November 15th** to ensure timely renewal of your swimmer's registration. No swimmer will be renewed until payment is made in full to CCBSC. Swimmers who have not paid annual USA Swimming registration fees to CCBSC by December 1st of each year, risk having their USA Swimming membership lapse, and, therefore, their ability to continue to practice and enter swim meets will be suspended.

At any time you wish to discontinue your membership with the CCBSC please contact the team treasurer (Boomerstreasurer@gmail.com). Notification of cancellation must be made by the 25th of the month before you wish to cancel to treasurer only. Dues are not pro-rated and your account will be charged in full unless the parent or guardian notifies the team treasurer. Participation in one practice or meet will constitute acceptance of full payment for the month. Parents are responsible for any charges that may accrue during the time the swimmer swims, prior to written notification being received.

Parents should review the team meet schedule and identify their intent to attend via the CCBSC website. All meet fees are payable prior to the meet dates. Once meet entries are submitted, meet fees are not refundable regardless of attendance.

All swimmers/parent are required to notify their coach if they are unable to make practice for any extended period of time (vacation, sickness, or other periods aside from membership cancellation). Only CCBSC team registered USA Swimming members and 2 week free trials are allowed to swim at pool CCBSC utilizes during CCBSC practice times or events.

Parents may not leave swimmers at the pool without a coach present. Swimmers are not permitted to enter the water at practice until the coach arrives and instructs them to do so.

Pick up: Parents are responsible for prompt pickup at completion of all practices. If the swimmer becomes ill during practice, they are required to call a parent or guardian to arrange for prompt pickup. If there is inclement weather and practice is cancelled, a parent or guardian must arrange prompt pickup.

Swimmers are required to arrive at swim meets in time for warm-up. Warm-up times will be announced prior to the meet in the meet information document. Swim meets are often busy, involve hectic times, and parental presence is extremely important.

At least one parent or guardian should attend all team general membership meetings.

CCBSC has adopted the USA Swimming model for electronic communication with swimmers and team travel. Please ensure your swimmer is familiar with these documents. They can be found on the USA Swimming website (www.usaswimming.org).

It is important that both parent and child understand that being a member of the CCBSC is a financial and athletic commitment. Therefore, the Board of Directors offers a 2 week grace period to accept this commitment. Once the commitment is made, session dues, registration fees, and all registration paperwork are due.

Disciplinary code

The disciplinary code shall apply to all behavior occurring during or at an activity or function that is associated with the CCBSC including but not limited to: swim practice, swim meets, team trips, team outings, or individual group outings and addresses objectionable behavior by members of CCBSC occurring outside of club activities.

Types of objectionable behavior shall be divided into three (3) classifications:

Class II: Shall deal with behavior that is considered disruptive; having a detrimental effect on one's self, other members of the team or general public; causes significant damage to the reputation of the club and/or their coaches; leading to the possible injury of self or other persons.

Class III: Shall deal with behavior that is somewhat disruptive; does not portray the CCBSC in a good light; and other actions that are not in compliance for good behavior as a member of a team or society in general.

Class I Objectionable behavior:

Unacceptable behavior would include, but is not limited to, sale or distribution of illegal drugs, conviction of felony and fighting that results in the severe bodily injury of any person (regardless whether at a club activity or not).

Disciplinary procedure:

- Hearing before quorum of Board of Directors with parent/guardian and swimmer given the opportunity to be present; the facts shall be presented by the Board President or his/her designee; Head coach shall be present in advisory role.
- Board decision to be mailed to parent/guardian and swimmer within one week via certified mail.

Recommended Discipline:

May result in membership termination or other action as determined but the Board of Directors.

- Committee shall send notice of hearing to parent/guardian and swimmer via certified mail with parent/guardian and swimmer being given the opportunity to be present.
- The facts shall be presented by the Board President or his/her designee; the Head Coach shall be present in the advisory role.

2nd offense-Suspension* from the team for a minimum period of sixty (60) days of the swimmer's season (these days may extend into the swimmer's next season, if needed)

3rd offense-Shall be considered a violation of Class I Objectionable behavior and handled according to the disciplinary proceedings of Class I objectionable behavior.

*Terms of suspension shall be spelled out by the Disciplinary Committee and must be adhered to by the swimmer/parents in order to be reinstated by the Committee at the end of the suspension period. During the periods of suspension, swimmers remain a member of the CCBSC and thereby all dues and fees are still due in full form from the swimmer. The swimmer cannot be reinstated until any fees and/or dues that are in arrears are paid in full. Additionally, during periods of suspension, any missed sessions will be charged in accordance with the then-current fee schedule.

Class III Objectionable Behavior:

Unacceptable behavior at CCBSC practices, competitions and team functions that includes but is not limited to: minor vandalism, being disruptive in practices or meets, abusive language or behavior, insubordination to members of coaching staff, chaperones or others, littering, other acts of misconduct as determined by the coaching staff.

Disciplinary procedure:

- Handled by the coaching staff (Parents will be involved if anticipated discipline will result in a suspension)

Recommended Discipline:

As determined by the coaching staff (including but not limited to, extra laps, clean up duties, suspension from practice, and/or suspension from meet (s)). Repeated Class III offenses may result in the offense being considered a Class II Objectionable Behavior.

During all investigations into all allegations of Class I & II offenses, involving questioning or interviewing of the subject swimmer, a parent or guardian of swimmer shall be present.

Specific Policy Regarding Bullying

Bullying is prohibited. For the purposes of the Code of Conduct, the term “bullying” shall mean, regardless of when or where it may occur, the severe or repeated use by one or more USA Swimming members (“Members”) of an oral, written, electronic or other technological expression, image, sound, data or intelligence of any nature (regardless of the method of transmission), or physical act or gesture, or any combination thereof, directed at any other Member that to a reasonably objective person has the effect of: (i) physical or emotional harm to the other Member or damage to the Member’s property;(ii) place in the other Member in reasonable fear of harm to himself/herself or of damage to his/her property; (iii) creating a hostile environment for the other Member at any USA Swimming activity; (iv) infringing on the rights of the other Member at any USA Swimming activity (which for the purposes of this section shall include, without limitation, practices, workouts, and other events of a member club or LSC).
