

Dear Community Partner,

Welcome to the Warner Robins Aquanauts. Our organization is a 501(c)3, established in Warner Robins in 1958. Our mission is to provide wholesome recreation activities to community members. For our youth in central Georgia, we are the home of professional swim instruction and fitness. We serve beginner and competitive swimmers alike, and instill discipline, positive ethics, and skill mastery in a safe, fun, team environment during non-school hours. We also serve the adult and senior members of our community, through water aerobics, early morning lap swim, and many fun-filled, fitness-gearred programs suitable for swimmers of any age, with varying physical abilities or disabilities. We are committed to encouraging a healthy lifestyle, good sportsmanship, and team camaraderie. Our programs operate year-round at Memorial Park Pool near Russell Parkway, across from Robins Air Force Base.

Partnering with you, and with your support, together we can serve over 500 community boys and girls of all ages in our Learn-to-Swim program, and provide them with the opportunity to be part of a competitive swim team. The Aquanauts Team represents our community at competitive swim events throughout the state of Georgia, participating in events sanctioned by either the Georgia Parks and Recreation Association or USA Swimming, the amateur arm of the U.S. Olympic Swim Team. Our fees are held extremely low compared to our state's average for swim team participation. To provide the best professional instruction, leadership, and opportunity to our community members, young and old alike, we must have community partners. Our very existence depends on our community's generosity and support.

Please review our Invitation and Commitment to partner with us. You will find varying degrees of excellent benefits when you partner with the Aquanauts! Together, we can make a difference in our community and together we can enjoy the benefits of living in one of our country's top 100, "Best Communities!"

To welcome you as a partner, or to answer any questions you may have regarding sponsorship levels, please do not hesitate to contact me at 478-929-8044 or [coach@wraswim.com](mailto:coach@wraswim.com), or our Administrative Assistant, Amanda, at [assistant@wraswim.com](mailto:assistant@wraswim.com). This year's partnership campaign will close, with all partnership applications due by October 23, 2020. Again, thank you in advance for your kind consideration, and I am looking forward to welcoming you to the Warner Robins Aquanauts team!

Sincerely,

Wes Hamborg  
Head Coach

# Invitation to Partnership

Any local business or organization is invited to partner with WRA, with a contribution of \$150 or more. As our way of saying thank you, all of our Community Partners will receive :

- Your name listed on the Partnership page of our team website
- Your logo with a link to your website on the Partners field of our website, visible from each page
- Your logo with a link to your website, on our monthly team newsletter
- Your name listed on WRA home-meet heat sheets, distributed to all participating families
- Your name listed on our Community Partners banner, displayed at the WRA pool

---
