UPCOMING MEETS

Our next meets are the Aggie A & Up meet June 21-23 and the DADS BB and Under meet the following weekend. Check the calendar and bulletins at the pools or the website for meet formats and entry deadlines. Meet information, entry forms, and invitations are available at both pools typically 3 weeks prior to each meet and are posted on www.swimaqua.org as soon as they are made available from the meet host. Contact any of the coaches or Kelli Baliker at (281) 488-3943 or kbaliker@ev1.net with questions about meets and entry procedures. 🐬

“Rise and shine, it’s 100 Fly time!”

Cragin, McElhany, Lobb receive national recognition

What is a Top 16 time, you ask? In short, it is a national time standard from which a database (or ranking) of the fastest times in each age group, stroke and distance (for both boys and girls) is developed each year. AQUA had three swimmers record 12 individual times recognized as being in the Top 16 (including **four** No. 1-ranked swims) recorded nationwide during the 2001-2002 short course season. WOW! Congratulations to these athletes!

Swimmer	Event	Time	National Rank

CCISD announces pool rotation

CCISD has implemented an annual rotation for the Brook, Creek and Lake pools among the year-round swim clubs. This provides each of the primary renters equal access to each pool and a predictable rental schedule. **AQUA will be at Brook for the 2002-2003 school year**, Creek for 2003-2004 school year and Lake for the 2004-2005 school year. As always, rental access is a privilege and to maintain our welcome in CCISD facilities, we should treat the facilities as we would our own. Leaving the pools clean and using them properly will reflect well on AQUA. 🐬

On-deck policy adopted

AQUA Board has adopted a policy covering swimmer and spectator activities on deck during practices. There are no surprises in the policy, and it is founded on common sense. To paraphrase the highlights of the policy, swimmers should come to practice prepared and with their equipment ready to use, parents should supervise their youngest spectators (or spouses as needed) and allow coaches to focus uninterrupted on supervising practice. The policy will be included in a team handbook that is currently being crafted and posted on the website. 🐬

Summer practice schedules

The summer practice schedule will basically be La Porte and Glenbrook (long course) in the mornings through the end of July and Creek in the evenings until at least the end of summer league. After summer league, we expect to return La Porte to the evening schedule. Sometime in mid August, we expect to begin a 6-8 pm schedule at Brook. Please keep close watch on the practice calendar via e-mail or posted at the pools or on the website. 🐟

Fundraising made easy

AQUA's fundraising efforts have been paying off. We prefer low-pressure corporate grant and grocery rebate programs to help keep our fees the lowest in the area.

We have received a number of corporate grants, and have applications pending for two additional grants currently. Our families appear to be making better use of the Kroger Share and Randall's Good Neighbor Programs.

If you have not already done so, and you shop at Randall's, remember to enroll in the Randall's Good Neighbor program at your next stop in an area store by simply having the customer service people code **#9266** onto your Randall's card, and then use the card when you shop. Randall's makes a donation to AQUA of 1% of purchases.

Alternatively, Marcy Barr has Kroger Share Cards for distribution. Simply have the cashier swipe the card at check-out, and Kroger will rebate to AQUA 1% of purchases. If you use the cards, thank you. If you don't, the cards cost nothing and are used in addition to any other

discount card you may also have for the store. Marcy can easily replace lost Kroger Share cards or provide extras for friends and relatives to use. Any "friend of AQUA" — whether a team member or not — can help by using these programs. See Marcy on pool deck or call at (281) 471-6666.

We believe that a large number of companies in the area have grant programs for tax-exempt organizations, and we find that AQUA typically qualifies for these grants. We need only identify the programs and submit applications. Please let Ken Baliker know at (713) 567-0187 if your employer has such a program and he will do the follow-up.

The fundraising we do ultimately helps the team with its operation and allows AQUA to continue to provide services at the most affordable training fees possible. 🐟

Know the Gulf recruiting rules

To use a baseball analogy, AQUA is building as a team by developing a strong farm system. Unfortunately, others in the area prefer "free agency." Gulf Swimming rules prohibit anyone (coaches, parents or swimmers) from recruiting swimmers currently registered with other teams. If you are *asked* for information about AQUA (whether by a USA Swimming-registered swimmer or not), there is no problem. It is illegal, however, for any parent, or USA Swimming-registered coach or athlete to *initiate* a conversation with another USA Swimming-registered athlete or parent with the intent of encouraging a transfer to another team.

Given our consistent improvement at meets and our Top 10 short course finish at TAGS, it is not surprising that AQUA kids would be recruited by other teams. If you have been approached in a manner you think may be a violation of these Gulf Swimming rules, please contact a coach or a Board member. 🐟

Continue to check the practice calendars and emails for updates and team info. Visit the AQUA website (www.swimaqua.org) for schedules, team news and other features. Keep submitting pictures for the website, and look in the local *Citizen*, the *Houston Chronicle This Week* and Friendswood papers for articles on AQUA swimmers. 🐟
