state. **Caroline** was the AQUA *Swimmer of the Meet*, the 10-&-under girls high-point winner for the meet, and was awarded the plaque for the female *Swimmer of the Meet*.

UPCOMING MEETS

Our next meets will be the beginning of the Short Course season, in early October. Check the calendar and bulletins at the pools for meet formats and entry deadlines. Meet information, entry forms and invitations are available at both pools and on www.swimaqua.org typically three weeks prior to each meet.

Contact any of the coaches or Kelli Baliker at (281) 488-3943 or kbaliker@ev1.net with questions about meets and entry procedures. 

Practice schedule changes

Keep an eye on email practice calendars and those posted regularly at the pools and on the website. AQUA has returned to La Porte and will make the switch from Clear Creek to Clear Brook possibly as early as August 19 or perhaps as late as September 2 — depending on the efficiency of the bureaucracy at each school. The CCISD change is part of a 3-pool annual rotation. This provides each of the primary renters equal access to each pool and a predictable rental schedule.

AQUA will be at Brook for the 2002-2003 school year and summer, Creek for 2003-2004 school year and Lake for the 2004-2005 school year. As always, rental access is a privilege and to maintain our welcome in CCISD facilities, we should treat the facilities as we would our own. Leaving the pools clean and using them properly will reflect well on AQUA. 

AQUA welcomes new coaches

AQUA would like to welcome two coaches to our staff for 2002-2003. **Kelan Holloway** and **Loryn Samson** will be working and developing AQUA swimmers this year. Kelan has seven years of coaching experience (mostly with area USA and summer league teams), and he has considerable, high competitive level experience as an athlete.

Loryn has developed great coaching experience over the past two years with both AQUA and the CCSL Seabrook Stingrays. Both Kelan and Loryn are former La Porte Bulldog high school swimmers, and we are very pleased to have both on staff this year. The addition of Kelan to the La Porte pool coaching staff helps fill an anticipated need created by Coach Jennifer's graduation and start of a full-time position at MD Anderson Hospital. As Coach Jennifer learns more about her work schedule, she will work with the coaching staff to set her practice and meet schedule with AQUA. 

2003 registration approaching

An AQUA swimming registration form for calendar year 2003 is included in this mailing. We encourage returning swimmers to register prior to open registration, which will be held primarily for new swimmers at both pools during practice hours on September 5th. USA Swimming 2003 registration forms should be available from Gulf Swimming by the beginning of September. They will be made available to you at the pools. Registration fees are expected to remain unchanged from last year. You can turn in registration forms on deck at either pool. 

Texas Swim Shop at practice

AQUA will make arrangements for Texas Swim Shop to be at our practice locations on a date shortly after the Sept 5th open registration. This will provide an opportunity for swimmers to obtain needed equipment and to try on suits, etc. We will post notices at the pools prior to the scheduled date so that you can make plans.

Tip: for size-specific items [swim fins, swim suits, etc.] you might give Texas Swim Shop a call at 713-723-0910 and request that your equipment size be brought to the AQUA practice date for your purchase. Be sure to ask for the team price discount. 

Continue to check the practice calendars and emails for updates and team info. Visit the AQUA website (www.swimaqua.org) for schedules, team news and other features. Keep submitting pictures for the website, and look in the local *Citizen*, the *Houston Chronicle This Week* and Friendswood papers for articles on AQUA swimmers.

New Kroger *Share Cards*

AQUA has obtained mini (ultra convenient!) Kroger *Share Card* stickers that may be used on key chains. These work the same as the business card-sized cards we have been using. Simply have the cashier swipe the bar code on the card at checkout, and Kroger will donate 1% of the purchase amount to AQUA. The mini cards are included with this mail out. Stick them onto the back of your Kroger key chain card.

This program, along with the similar Randall's program (simply have a cashier or customer service person code our Good Neighbor number **9266** into your Randall's card) has become a high-impact, low-effort fundraising vehicle for AQUA and the benefits have helped AQUA maintain low training fees. We currently receive about \$50 per month between the two programs. That's a nice improvement, but still short of our goal of \$100 per month. Keep using the cards, and benefit AQUA at no cost to you.
