

ASL Meet Volunteer Commitment Policy

ASL hosts several meets each year. We do this to both provide competitive opportunities for our swimmers and to serve as a fundraiser for the club. We rely on our parents/guardians to help run these meets as volunteers. For every session a family has a swimmer entered to participate in, at least one parent/guardian must volunteer to work a meet session in a 1-to-1 ratio. For example, if a family has swimmers entered in 3 of 6 sessions during a particular meet, they must work 3 sessions in that same meet. This does not have to be the SAME session their swimmer is entered in. Some parents prefer to work sessions their swimmer is not participating in so they can watch their athlete from the stands. Others prefer to work the same sessions their swimmer is entered in so they can be closer to the action as their swimmer competes. Any family not meeting the 1-to-1 ratio described above will be fined \$100 per missed volunteer session. The Board of Directors of ASL will handle adjudication of the fine as well as additional remedies.

Meet Volunteer Signup:

To streamline the process, volunteer signups are handled via the ASL website (www.swimasl.com). When signing your child up for a meet you need to be signed into your account and click “Attend this Event” for the meet you want to attend and follow the on-screen prompts.

If your child is swimming in a meet hosted by ASL, there will be a “Job Signup” button that you can click and select your sessions and volunteer jobs for the meet. As stated above, if you do not sign up to work the meets in the specified 1-to-1 ratio, you may be subject to a fine. It is best to sign up for volunteer positions early to ensure you can get your preferred job.
