Dear: _____

I am helping my USA Swim Club, Cypress Fairbanks Swim Club – Home of FLEET Swimming (CFSC), build a stronger team and I am asking for your support!

CFSC has made a huge difference in my life. Through swimming, I have learned the power of discipline, teamwork, and setting goals. I especially enjoy the fun that comes when all three of these traits are encouraged by great coaches. CFSC is a premier swim club with over 40 years of history in Cypress. Our coaches make swimming more than just exercise. They make swimming an activity that builds character for life.

I will be swimming in the 2020 Swim-A-Thon in April. My goal is to swim 200 laps in two hours, which is a lot of swimming, but it’s all for a great cause! Your contribution will help CFSC meet the goal of raising \$50,000 towards a stronger future for both my fellow swimmers and me. In addition, 5% of the money raised will go to the USA Swimming Foundation to support national swimming initiatives. That means 95% of all funds raised through Swim-A-Thon will stay right here with CFSC!

CFSC is a nonprofit organization, which makes your contribution fully tax deductible (depending on your tax situation). I would greatly appreciate it if you would return the form below along with your donation directly back to me in the enclosed self-addressed envelope by April 11, 2020. You may either make your check payable to CFSC or you may donate by credit card by clicking the “PLEASE HELP” button on our team website (www.fleetswimming.com) and selecting the swimmer (ME) from the Participants List. Your generosity and support are appreciated!
