RE: Community Involvement & Support Opportunity to Engage with USA Swimming

Dear: \_\_\_\_\_

I would appreciate consideration from \_\_\_\_\_ in providing sponsorship funds and/or Silent Auction/Raffle Items for the Cypress Fairbanks Swim Club, or FLEET, a Non-Profit organization. FLEET is a member of USA Swimming and has over 500 athletes currently engaged in the sport of competitive swimming, as well as over 1,500 youngsters involved in our Learn-To-Swim Program. This is a tremendous opportunity for you to promote your business, while supporting local youth sports and allows you to communicate with 500+ involved families. Our annual Swim-A-Thon Fundraiser and Silent Auction/Raffle will be held at the FLEET Aquatic Center in March 2020.

Participants in the Annual Swim-A-Thon raise money to ensure that FLEET remains one of the best swim programs in the nation. Money raised helps to guarantee that our swimmers continue to receive high quality training with the best coaches, facilities, and equipment that we can offer. At FLEET we are fortunate to own our facility where we continue to teach children the basics of swimming, swim safety, as well as assist those in the competitive program to reach their full potential. FLEET's competitive program includes those at the novice level to National Qualifiers. Most of the training programs are held at the FLEET Aquatic Center, home to one of the few 50-meter Olympic-sized outdoor pools in the Houston area, plus an indoor 25-yard pool where our Learn-To-Swim program is taught.

Swimming is a lifelong sport and one that promotes a fun, healthy lifestyle. Your support of FLEET will help the team to provide a quality program for all ages and skill levels. The Sponsorship Form includes several sponsorship levels, as well as an opportunity for you to donate Auction/Raffle Items; any consideration would be greatly appreciated!

Best Regards,  
Faith Schuchardt [swimathon@fleetswimming.com](mailto:swimathon@fleetswimming.com) (832)427-9581  
Swim-A-Thon Coordinator 2020.
