

## **FCST Swimmer Drop-Off and Pick-Up Policy**

The safety of all swimmers is the highest priority for First Colony Swim Team. To ensure this, families must read and agree to the team policy for swimmer drop-off and pick-up. FCST will not leave a swimmer alone at a practice facility without an FCST staff member there.

- Swimmers must not be dropped off more than 15 minutes before their practice is scheduled to begin. Please make sure a coach is on deck before you leave.
- Swimmers must be picked up no later than 15 minutes after practice is scheduled to end.
- The team reserves the right to impose a fine for picking up swimmers outside of this 15 minute grace period. The fine will only be assessed based on scheduled practice time. This is a family fine, meaning if you have multiple swimmers the warning and fines are all-inclusive for all swimmers. For example, if you are late one day for one swimmer and late another day for your second swimmer, that would count as two offenses.

The fine will be as follows:

- First Offense - warning
- Second Offense - \$1 per minute
- Third Offense - \$5 per minute
- All others - \$10 per minute
