

Dear \_\_\_\_\_,

I am helping my USA swim club, Katy Aquatics, build a stronger team and I am asking for your support.

Katy Aquatics has made a huge difference in my life. Through swimming, I have learned the power of discipline, teamwork, and setting goals. I especially enjoy the fun that comes with this sport when all three of these traits are encouraged by great coaches. Our coaches at Katy Aquatics make swimming more than just exercise. They make swimming an activity that builds character for life.

Katy Aquatics is a premier swim club with over 30 years of history in Katy. Our club is nationally ranked as one of the top 50 swim teams in the USA, and supports the personal development of each individual swimmer.

That is why I am participating in our team Swim-A-Thon on March 24<sup>th</sup>, 2018. In 2 hours, I will strive to swim 200 laps (2.84 miles)! That is a lot of swimming, but it's all for a great cause. A donation made through our Swim-A-Thon fundraiser will help to support my team's financial plan and goals of operating our own facility in the Katy area.

Your pledge will help me meet my goal of \$\_\_\_\_\_ and help Katy Aquatics raise \$200,000 towards a stronger future.

The easiest way for you to make a contribution is online through my Team Unify Donation Webpage at [www.katyaquatics.org](http://www.katyaquatics.org). It is a secure website where you can donate any amount you desire to our club. All you have to do is search for my name under the 'Fundraising Participant' tab.

If you would rather give by check or make a pledge based on the number of laps I swim, simply use the form below and mail it back to me. Whichever way you choose to donate, please know you are giving to an organization that has made a huge difference in my life.

All contributions are 100% tax deductible – Tax ID# 75-2124074.

Thank you for helping me to reach my goal!

(Cut on line and return form below)

**Pledge Form due by March 24<sup>th</sup>, 2018**

Dear \_\_\_\_\_ (swimmer's name),

YES! I will donate:

\_\_\_\_ \$ .10/lap \_\_\_\_ \$ .20/lap \_\_\_\_ \$ .50/lap \_\_\_\_ \$ 1.00/lap \$ \_\_\_\_/lap
