

*“Providing a world class swimming environment for all swimmers to develop their full potential as athletes and as individuals”*

Greetings,

Katy Aquatics is a local swim club with a guided age-group program that runs year-round for children ages three and older. The skill level in our organization ranges from the beginner who is just starting out, to highly accomplished athletes who represent the club at National level competitions across the country. We have been in existence for over 30 years as a swim club, and are recognized as one of the top 30 swim teams in the United States by USA Swimming.

When young people become members of Katy Aquatics, they gain more than just swimming skills. They acquire life experiences and learn the values of sportsmanship and team work. Swimming is a sport that provides physical, emotional, and intellectual skills that will last a lifetime. This is why Katy Aquatics is extremely proud of our land purchase of five acres that will become our future home for a multipurpose Aquatic Center.

Our land is located within close proximity to Grand Parkway at an optimal position near the Patricia E. Paetow High School. The Aquatic Center is to include a 50 meter outdoor competition pool, an indoor teaching/programming pool, locker rooms, a dryland training facility complete with running track, office space, and parking. Our vision with the new facility is to address the health and wellness needs of our entire community. With a focus on total aquatic programming, we will be able to offer fitness and rehabilitation options as well as competitive age group swimming and learn-to-swim instruction.

With more than 1,200 children currently involved in our competitive and learn-to-swim programs, you can imagine our excitement as we approach the construction of a new Aquatic Center. We are a 501 (C) (3) non-profit organization supported by tuition, small grants, and donations. Our land purchase was only made possible because of the generosity and support from many Katy Aquatics friends and families through the years. Please know that a sponsorship donation made on your behalf to our team will be utilized responsibly, and to better the experience of all swimmers in our club. In return, each sponsor will receive the following promotional value as outlined in the enclosed Sponsorship Packet.

As we prepare for the next swim season to begin, Katy Aquatics is sincerely looking forward to partnering with you and your business as we initiate a brand new journey to expand our club. If you wish to become a Katy Aquatics sponsor during our 2019-2020 year, please contact Beth Ramsey at the information listed below. You will then receive a letter of confirmation to detail your charitable contribution to our team.

We sincerely look forward to hearing from you and your organization soon!

With much appreciation,  
Travis Sandifer, Katy Aquatics Executive Director
