COMMUNITY SERVICE

What should we know about you and the ways in which you've been a leader on your team, in your school or in your community?

Please share what drives your dedication to your sport and what you love about your sport that drives you to invest your valuable time:

Why should you be the recipient of this scholarship above your peers?

Essay, please express yourself in less than 500 words and select one of the following topics:

What experience with adversity have you recently had that has given you a new perspective on perseverance and focus to cross the finish line with a challenge in your life?

Tell us about a time when you dared to be different and what impact that had on you and the others that were surrounded by your example?

***Why is it important to be friendly in any circle you exist in?
What difference does friendliness make?***

Tell us about a time you had to make a hard choice to play as a team and put your personal interest aside for the betterment of the team you were on?
