Dear Potential Sponsor,

Pearland Aquatics (PEAK) is a year-round swim club affiliated with USA Swimming. The club strives to help swimmers develop swimming excellence through a structured swim program that promotes good sportsmanship and the value of teamwork. In addition to developing swimming excellence in the water, our Coaching Staff helps to teach out-of-the-water life skills such as a respect for others, work ethic, discipline, and most importantly how to have FUN!

We are a tax exempt 501(c)(3) non-profit organization. We currently have approximately 225 families registered for this year with over 275 swimmers ranging in ages from 6 to 18, and in ability level from beginner to Collegiate Scholarship level. **These swimmers and their families live near your business and represent a large group of potential customers that we can offer you a unique opportunity to connect with through a PEAK Team Sponsorship!**

Our team hosts multiple swim meets each year at the Pearland Natatorium which will bring upwards of 1,500 swimmers, family members, and friends to the facility. Additionally, each month our team attends away meets hosted by other teams with similar attendance, and hence the opportunity for your business to be exposed to an even larger potential customer base should you choose a sponsorship with this level of exposure for your business.

We are looking forward to partnering with you and hope you will consider a sponsorship that helps grow your business and will provide PEAK with funds to help us grow and be successful now and into the future!

Best Regards,

Selva Mudaliar
