

PEARLAND AQUATICS (PEAK)—2021-2022

Pearland Aquatics (PEAK) is a year-round swim club affiliated with USA Swimming. The club strives to help swimmers develop swimming excellence through a structured swim program that promotes good sportsmanship and the value of teamwork. All swimmers new to the team must have a tryout before joining the team.

WHERE DOES THE TEAM SWIM and WHEN ARE PRACTICES? For 2021-2022 the team will practice at the Pearland Natatorium and Emerald Bay in Shadow Creek; most swimmers new to PEAK will choose to join a practice group that meets 2, 3, or 4 days a week (4 day swimmers must have one-year prior team experience) OR try the fall swim clinic group which meets 10 Saturdays in September-December. Swimmers practice with the group for which they register only during that group's scheduled times.

ARE THERE ATTENDANCE REQUIREMENTS? There are no minimum attendance requirements for each group; however, the more often a swimmer goes to practice the better the skills develop.

HOW MUCH DOES IT COST? To register with the 2021-2022 team practice groups, there is a team registration fee of \$120, a team gear fee of \$45 (swimmers get 2 swim caps and 2 PEAK t-shirts) and the USA Swimming membership fee of \$81. Each group has a monthly practice fee. The first month's fee is charged at registration; subsequent months are billed on the 1st of each month. Please see the list below of fees for the team practice groups:

- 2x - \$120/month
- 3x - \$140/month
- 4x - \$160/month

For families with more than one swimmer on the year-round team there is a practice group tuition discount of %15 for 2nd swimmer, 25% for 3rd, and 35% off 4th. The discount is credited after registration closes and continues during subsequent months as tuition is charged.

To register for the Fall 2021 swim clinic group there is a registration fee of \$50, a team gear fee of \$45 (swimmers get 2 swim caps and 2 PEAK t-shirts), the USA Swimming Flex Membership fee of \$20, and the fall clinic fee of \$225.

ARE THERE OTHER TEAM FEES? Other fees that may be charged by the team include meet entry fees and any additional team gear requested by the swimmer from PEAK.

WHAT EQUIPMENT DO SWIMMERS NEED? All swimmers need practice appropriate swimsuits, goggles, and a water bottle. Other equipment needed depends on age and practice group. A complete list may be found on the PEAK website under the Info: Team Gear tab.

ARE SERVICE HOURS AND FUNDRAISING REQUIRED? Each year the PEAK Board determines service hours and fundraising requirements. For 2021-2022 the service hours and fundraising will be 10 hours and \$150 per family. (Does not apply to families with swimmers only in the clinic group.)

WHEN DOES THE SWIM YEAR END? The 2021-2022 swim year ends in August 2022. Swimmers who register for team practice groups are considered active members with the club for the year unless the swimmer withdraws from the program.

HOW DO I REGISTER A SWIMMER? All swimmers new to PEAK must have a tryout and coach approval before registering for the team. Fall 2021 tryouts will take place August 20-21; swimmer may sign up for a tryout by visiting the PEAK website and clicking on the Tryout Info link. Team registration for new and former team swimmers will open online on August 20 and close on August 25. Registration instructions will be given to swimmers at tryouts.
