

Meet Updates

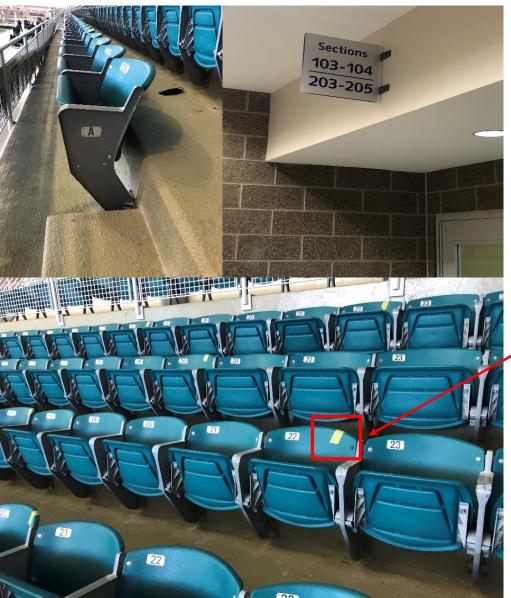

## **Covid Protocols**

- Athletes should come attired in their suits (underneath their warmups).
  - If for any reason an athlete must change (ripped suit, etc.) it must be done in the lower level locker room, not mezzanine level bathroom)
- Masks must be worn at all times, unless actively swimming
- Social distancing at all times. In the team areas, in the coaches' area, etc...
- We may conduct temp checks at the entry points of the venue
- Scheduled team arrival times, staggered to avoid crowding
- Remain in team area unless you are going to swim
- Non Compliance with Covid Protocols, may result in removal from the meet without warning.
- Once in the building plan to stay until your events are done.

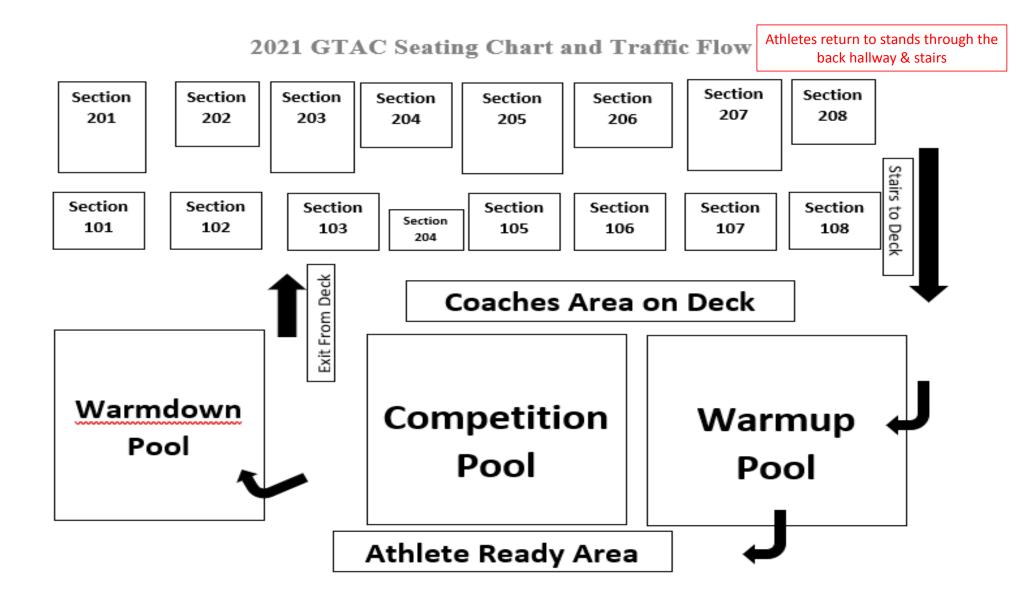

#### Team Entry Into the Building

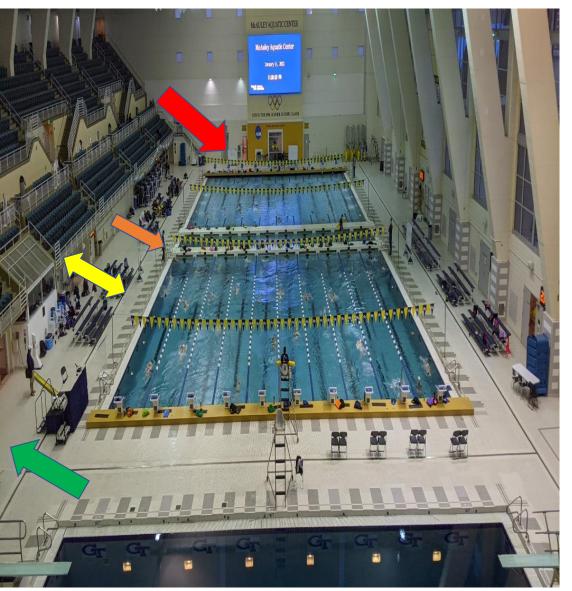

- Swimmers report directly to the front entrance of the CRC.
- Teams may only come into the building during their scheduled arrival time. Teams arriving early will have to wait outside. Plan your travel accordingly.
- A coach from each team must be at the entrance to help athletes into the building.
- Swimmers do not enter from Tech Parkway.
- Please maintain social distancing at this spot.
- Everyone must have a credential visibly displayed or in hand.
- Temperature checks may be done at this point.
- Teams should proceed directly to their team area in the stands, not to the deck.

#### Team Areas

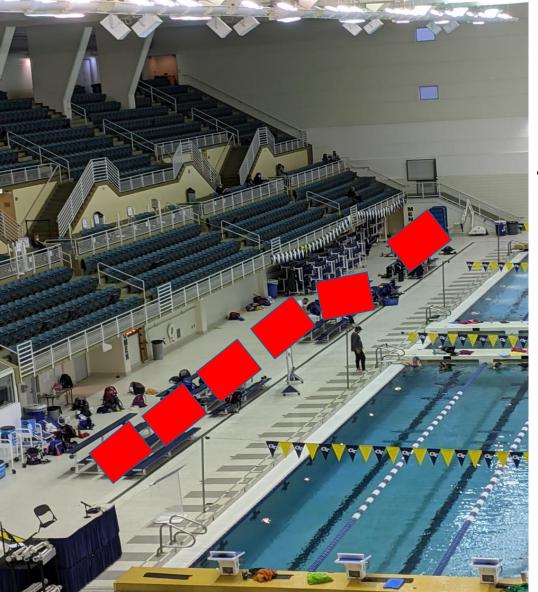

- Teams will be assigned specific sections (not seats).
- Large coolers are NOT allowed in this area. Smaller personal coolers that can fit into or under a seat are OK.
- Coaches/athletes must remain in their area unless the are going to swim.
- Swimmers must return to their team area promptly after their race or warm down.
- People must socially distance in this area and may only sit in marked seats. Coaches should lead by example and help police this with their teams.
- Please follow the instructions of security and event staff.
- Please clean up your team area before you leave the venue.

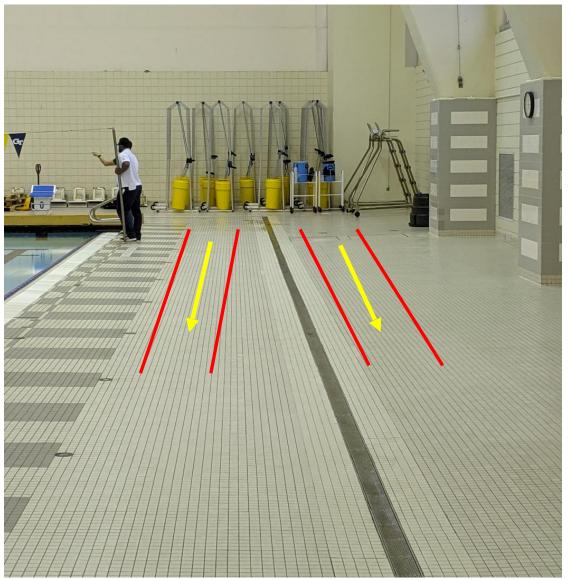

#### **Deck Traffic:**

- Athletes Enter Pool Deck (red): Scoreboard stairs inside the seating area.
- Athletes should come to the deck only no more than two events prior to their race.
- Coaches access to deck [yellow] (entry & exit). Coaches should use the back stairwell and hallway to access the pool deck.
- Athlete Exit Pool Deck (green): Timing Room door, travel to stands through back stairwell
- 500, 1000, & 1650 Free Counters (orange) enter & exit bulkhead from Lane 9. Please arrive one heat prior to race

### **Coaches Area - Bleachers**

- Several Bleachers will be placed on the near side of the pool for coaches who have a deck credential.
- Social Distancing must be maintained in this area at all times. Please stay 6 feet apart. We will mark places on the bleachers to stand.

### **Athlete Staging/Bullpen**

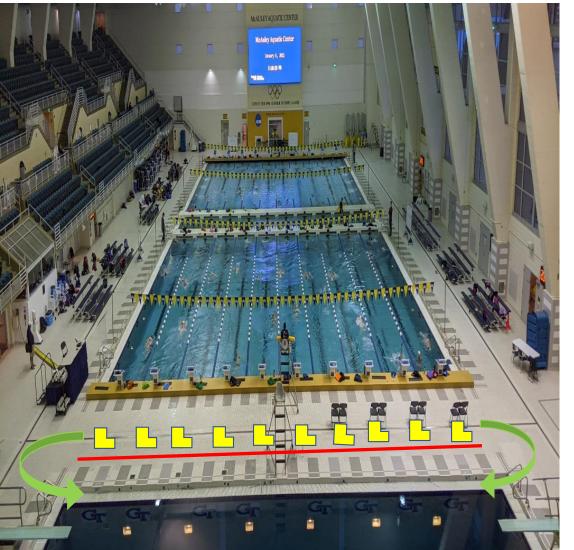

- There will be a bullpen intake area next to the warmup pool.
- Athletes report here to enter the athlete staging bullpen area.
- Remind your swimmers to plan enough time to warmup AND go through the staging area to get to their race.
- There will be two 3 ft. wide lanes (6 feet apart to bring athlete into this area.
- Please ensure swimmers do not queue too early (one event prior) to ensure distancing.

### **Bullpen/Athlete Staging**

- ALL swimmers, ALL events must go through this area and can't go directly to the blocks for their races.
- Athletes who do not go through the bullpen will not compete.
- The athlete staging area will be on the far side of the deck.
- Multiple sets of bleachers will allow for distancing.
- No, we won't make them hold hands walking to the blocks.

*Traffic Flow:* Athletes entering bullpen between bleachers and pool (green) Athletes walk to blocks between bleachers and wall (red)

#### **Competition & Warm Down**

### Chairs/Theater Rope: Starting End

# <u>Chairs:</u> Single row of chairs behind blocks

Upon exiting Bullpen, swimmers will proceed to chair behind their lane, until signaled by meet referee.

#### <u>Theater Rope (red):</u> Single rope, separating Competition Pool from Warm Down.

After athletes compete, exit pool walk around theater rope to enter warm down pool

# Meet Flow and Pace

- Fewer athletes & COVID protocols will require us to slow things down a bit
- We may take small breaks after the completion of an event to scroll results and recognize the top 3
- Athletes should exit the water after their race and proceed immediately to the warm down pool, and/or return upstairs.

### Other Items

- Scheduled warmups will take place in the two 10 lane pools. All warmups must be supervised by a coach. Teams may use the blocks in their scheduled time.
- Results posted downstairs as well as Meet Mobile.
- Restricted Areas Stay in the aquatic center and out of ALL other areas of the CRC.
- Vendors SwimAtlanta Swim Shop and River Oaks
