REGISTER TODAY!

The cost to register through July 1st is \$75. Please make sure when you sign your swimmer up they join the Swim Atlanta team! Visit our SWAT SAA team page ([click here](#)) and click on the Join Team button. Click Join as a New Participant if you or your swimmer have never participated. If you have participated in SAA before simply login into your account. This event did sell out last year so we encourage everyone to register early! Swim Across America is an open water event (with LOTS of distance options for every swimmer and non swimmer: ½ mile, 1 mile and a 5K) that raises money for pediatric cancer research being conducted at Children’s Healthcare of Atlanta! Last year Swim Atlanta raised over \$87,000, the most money of any SAA Atlanta swim club team and we were listed in the top 20 teams in the country! **This year we want to raise \$100,000!**

This is a charity event and our goal is to raise as much money as possible to help find a cure for cancer. ***Each participant has a fundraising minimum they are expected to meet (for individuals under 18 that is \$200 and for individuals over 18 that is \$400). Your registration fee goes towards that minimum fundraising goal.*** Our team captains have lots of ideas to help your swimmer meet that goal and are available to answer any questions you or your swimmer may have. All participants who meet their fundraising minimum receive a swim cap and an SAA towel!
