The meeting will be held 10 minutes after the end of Session 1 in the grand stand with coaches socially distant from each other. Any possible changes in the conduct of the meet will be decided at this meeting. It is each swimmer's and/or coach's responsibility to be aware of any decisions or changes that are made at this meeting.

Team Scoring/Awards Eligibility: All teams must comply with all TSA entry requirements. The team must be a member of the Texas Swimming Association (TSA) for their swimmers to compete in any event and to earn team points and awards. Swimmers must be currently registered as athletes for 2021 with USA Swimming by the entry deadline and must be registered as a member of one of the five Texas Local Swimming Committees (LSC's). Swimmers age 14 and under on July 21, 2021 are eligible to compete. The age of the swimmer will be his/her age on July 21, 2021. must have achieved those times between June 1, 2020 and July 21, 2021. LCM time standards are shown on the order of events. Non-conforming qualifying times can be found on the [Texas Swimming Association website](#).

TSA Membership Requirements: All teams must be a member of TSA for their swimmers to compete in any event and to earn team points and awards. TSA dues are \$25.00 and must be paid through the TSA OME entry process. Late entries must pay the TSA dues at the time of entry if the respective team has not already paid the TSA dues.

Unaccompanied Swimmers: Any swimmer entered in the meet must be certified by a USA Swimming member-coach as being proficient in performing a racing start or must start each race from within the water without the use of the backstroke ledge. A racing start includes all forward starts from the block or deck, and any backstroke start, including the use of ledges. When unaccompanied by a member-coach, it is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement

Unattached Swimmers: A swimmer may swim "unattached" if he/she is ineligible to represent a team with whom they swim. Unattached swimmers may not earn team points. If an unattached swimmer is not representing a team, that individual must pay the \$25.00 TSA dues to be eligible for the meet.

Meet Operations: Current USA Swimming Rules and Regulations govern this meet. TSA rules will apply where allowed. TSA rules prevail over any inconsistencies between this Meet Information and current TSA rules. Coaches MUST notify Meet or Deck Referee for the 15 minutes rest time between races for swimmers

Meet Format: Individual events in prelims may be conducted using both ends of the 50-meter pool – odd heats finishing at one end (shallow end) and even heats finishing at the other end (deep end). However, we reserve the right to run events on Wednesday evening from only one end of the pool. Chase starts may be used at the discretion of the meet referee. Meet administration may add short breaks during the preliminary sessions. Preliminary events will be seeded slowest to fastest. The 1500 Free will swim fastest to slowest. The 800 and 1500 Free require positive check-in and will swim alternating heats of girls and boys. There will be a 15 minute break between the 800 Free and the 800 Free Relay. There will be a 10 minute break during prelims after the relay and before the start of the 1500 Free.

In prelim/final events, two heats in the 10 & under, 11- 12 and 13-14 age groups, will advance to finals.

All relays, the 800 Free, 10 & under 400 Free and 13-14 1500 Free are timed finals. In the 10 & under 400 Free and 13-14 1500 Free, the fastest heat of girls and boys will swim during finals. However, swimmers in the 1500 Free on Sunday may elect a morning swim. This election is due by 6 PM on Saturday. If no indication is made, the entry will be seeded as if it is available for an evening swim. All other heats of the 1500 Free will swim as the final

event in Sunday's prelim session, fast to slow, alternating girls and boys. There will be a 10 minute break after the 200 medley relay before the start of the 1500.

Given the current and changing restrictions due to COVID, and in consideration of the health and safety of athletes, officials, and volunteers, MARS reserves the right to flight the meet and/or add venues to safely accommodate the number of swimmers

Relays: There is not a limit on the number of relays teams may enter. All relays are timed finals and all relays will start at the even end of the pool. The fastest 8 seed times in each age group electing to swim in finals will swim at night during finals. Teams may elect a morning swim. This election must be made by 6 PM the evening before the relay will swim (so on Wednesday at 6 PM for Thursday relays; on Thursday at 6 PM for Friday relays, etc.) If no election is made, the relay will be seeded as if it is available for an evening swim. Teams seeded in finals must swim or scratch.

Relay cards listing the order of swimmers must be turned in to clerk of course by 6 PM the evening before the relay will swim (same time that you will make an election for a morning swim). You will be able to change the order of the swimmers on the relay. If you fail to turn in a relay card by the 6 PM deadline, your relay will be scratched. If you plan to scratch a relay, fill out a relay card and write "scratch" on it. The order of swimmers on relay teams will be strictly enforced in accordance with 102.3.7 USA Swimming Rules and Regulations.

All swimmers must be pre-entered (prior to the start of the meet) and in the meet to be eligible to swim relays. After OME closes, relay only swimmers can be added to the meet for \$20.00 per athlete at any time, prior to the scratch relay deadline for that day. The four (4) swimmers being used to prove the time for a relay, whether the proof is done by team or aggregate, must be eligible to swim that event for this meet.

Positive Check In: The 13-14 800 and 1500 Free will be deck seeded and require positive check in. Failure to check in at clerk of course before the deadline will result in the swimmer being scratched from the event. See the Meet Schedule for exact check-in times.

Scratch Rule: Scratching for preliminaries is required. You must scratch a prelim event you will not swim the next day (i.e. scratch deadline for Thursday's events is 10 minutes after the conclusion of the general meeting on Wednesday; on Thursday by 6 PM you must scratch any event you will not swim on Friday, etc.) See the Meet Schedule for exact times each day. Failure to scratch an event means that event (whether you swim or not) will count as one of your seven allowed events for the meet.

Scratching for all final events is required as outlined in the current USA Swimming rules 207.11.6D and 207.11.6E: Any finalist who fails to compete at finals or consolation finals, for which he has qualified and failed to scratch with the Clerk of Course prior to the scratch deadline, shall be banned from further competition in the meet in accordance with the USA Swimming Rules and Regulations.

In this Prelim/Final meet, the finalists and alternates shall be announced and shall have thirty (30) minutes after the announcement to declare their intent to scratch from finals. Any qualified swimmer in the event (a swimmer is qualified for finals, consolation finals or any other bonus final heat if he has successfully completed the event in Prelims) may be moved into finals due to scratches, therefore all advancing swimmers who will not be present at finals must scratch to avoid a possible suspension from the meet. Thirty (30) minutes after the announcement, no further scratches shall be accepted, the existing scratches will be tabulated and the finalists and two (2) alternates for the event shall be set.

Entry Deadline: The entry deadline is NOON CDT Monday, July 19, 2021. OME will automatically close at that time.

Entry Fees: \$15.00 per individual event, \$30 for relays. A \$20.00 per swimmer surcharge will be charged, including relay only swimmers. \$3 of this surcharge will go to North Texas Swimming.

Time Trials: \$30.00 per individual event.

Deck Entries: \$30.00 per individual event, \$60 for relays. Deck entries will be entered via OME using the scratch deadlines each day.

Entries: Swimmers may enter as many events as they are qualified to swim but they may only compete in a total of 7 individual events during the entire meet with no more than 3 individual events during any one day, plus 1 relay event per day. Time trial events will count as one of the 3 events allowed per swimmer per day, but not as one of the seven 7 individual meet events.

If you enter more than 7 events, you must scratch the events you don't want to swim. See "Scratch Rule" above. No-Shows and DFS's will count towards a swimmer's 3 daily and 7 total events.

Teams may list up to two alternates per relay as relay only swimmers. Alternates that may be used on a relay at the meet must be entered in OME.

Entries for TAGS must be completed in [USA Swimming's online meet entry \(OME\) system](#). Entries will open in OME on June 1, 2021. You are not entered in the meet until you have checked out and paid for your entries in OME. OME saves your entries and you can complete your entries in more than one sitting. But once you check-out, you cannot delete an entry (but you can add additional entries until the entry deadline). Checks for entry fees must be brought to the meet. Credit cards will also be accepted at check-in for entry fees.

Coaches must register in OME to receive a deck pass.

A Hy-Tek file is available on the MARS and North Texas website for running eligibility reports and working out relays, but teams may NOT submit entries using Hy-Tek.

For help with the entries, contact Macie McNichols at USA Swimming (719-866-3506) or mmcnichols@usaswimming.org.

If you have an entry question, please contact Brian Dangelmaier (coachbrian@marswim.org). Email is preferred.

Non-conforming times and distance events: Swimmers qualifying with a "non-conforming" time (SCY) must enter that event using the non-conforming time. This allows OME to prove a qualifying entry time. All events will be seeded LCM first then SCY (with the exception of the 800 Free and 1500 Free).

A swimmer that has the qualifying time for the 1650/1500 Freestyle also qualifies for the 800 Freestyle. If entering the 800 Freestyle with the 1650/1500 Freestyle qualification, the swimmer must enter the 800 Freestyle with their 1650/1500 Freestyle time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 800 LCM, 1000 SCY, 1500 LCM, 1650 SCY. Conversely, a swimmer who qualifies for the 800/1000 Freestyle qualifies for the 1500 Freestyle. If entering the 1500 Freestyle with the 800/1000 Freestyle qualification, the swimmer must enter the 1500 Freestyle with their 800/1000 Freestyle time. This will provide proof of qualification for the event and will allow the swimmers to be seeded in the correct order: 1500 LCM, 1650 SCY, 800 LCM, 1000 SCY.

A 13-14 medley relay with a qualifying time in the 400 automatically qualifies for the 200 medley relay. If entering the 200 medley relay teams should enter with their 400 medley qualifying time.

Proof of Times: OME will automatically provide proof of time. However, if you override a time in OME, you will be required to provide proof of time.

For all rules and explanations pertaining to TAGS Proof of Times, swimmers and coaches should refer to the TSA handbook. If a meet is in the USA Swimming database, coaches do not need to bring a hard copy to TAGS to prove any relays or individual swims aggregated together for qualifying times.

Bonus Swims: Swimmers with 1 regular cut get 1 bonus swim. Swimmers with 2 regular cuts get 1 bonus swim. Swimmers with 3 or more regular cuts get 0 bonus swims. Bonus swim time standards will be used.

Deck Entries: Deck entries will be accepted. Deck Entries are \$30.00 per individual event, \$60 for relays. All deck entries will be handled through OME. Each day of the meet will have a separate OME entry link. Deck entries will close at the scratch deadline for the session to be entered. Swimmers not previously entered in the meet may also deck enter through OME, but must have achieved the entry time during the qualifying period.

Time Trials: Time Trials will be held, time permitting, for TAGS participants between preliminaries and finals on Friday and Saturday. Entries will be taken outside the pool, near the athlete entrance from 9 AM -11 AM on Friday and Saturday. There will be no time trials on Wednesday, Thursday or Sunday. The entry fee is \$30 per event. A swimmer may swim a maximum of one time trial per day. The 800 Free will only be offered for Time Trial on Friday and the 1500 Free will only be offered for Time Trial on Saturday. Time trial events count towards a swimmers maximum events per day as outlined in the "Entries" section. Time Trial results will be published with the Final Results. However, these times cannot be considered for state records. Events will swim mixed gender. Order of events will be: 50's, 100's, 200's, 400 IM, 400 FR and distance of that day.

A qualifying TAGS time earned during time trials will NOT qualify a swimmer to swim that event at TAGS (time trials is past the qualifying period).

Opening Ceremonies/Athlete Recognition: There will be a short opening ceremony on Friday, July 23, 2021 at 8:50 AM. Each team will be introduced and recognized. Teams will not parade. The session will start approximately 10 minutes following the opening ceremony.

Credentials/Registration/Deck Access: All coaches, officials and participating athletes will be issued credentials. Only people with credentials will be allowed access to the deck.

Coaches must register in OME for a deck pass.

Coaches and officials will be required to show their current USA Swimming registration card or proof of membership using the USA Swimming Deck Pass app in order to receive their credential. Coaches may pick up their team's credential tags at the registration desk on Wednesday, July 21 between 11:30 AM and 1:30 PM. The registration desk will be located at Clerk of Course. Replacement credential tags will be available at a cost of \$50.

Volunteers will be given a credential to access the deck and help for that specific purpose. Any non-registered individuals not respecting these rules will be removed from that area or from the facility at the discretion of the Meet Director or AISD Natatorium staff. Deck passes are only available for coaches.

Deck passes will be limited based on a Team's number of swimmers entered in individual events. Teams with:

- 1 – 4 swimmers will be allowed 1 deck pass;
- 5 – 8 swimmers 2 deck passes,
- 9 – 18 swimmers 4 deck passes,
- 19 – 40 swimmers 5 deck passes and
- 41 or more swimmers 7 deck passes.

Timers: Athletes will need to provide timers & counters for the 800 & 1500, and must come from existing credentialed athletes and coaches. Parents will not be allowed to come on deck to time or count. Each team entered in the meet will be responsible for providing additional timers. Each team will be responsible for providing 1 timer for every 10 swimmers entered in the meet. However, each team must provide at least 1 timer. Timers will be called for prior to

the start of each session.

Timers can sign-up in advance. Please come ready to time. A online sign-up link will be provided to teams in the weeks prior to the start date.

Scoring: All events will be scored by age group (10 & under, 11-12, 13-14). The top 16 places will score.

Individual Events: 20-17-16-15-14-13-12-11-9-7-6-5-4-3-2-1

Relay Events: 40-34-32-30-28-26-24-22-18-14-12-10-8-6-4-2

Coaches, teams, and athletes failing to pick up their awards within one hour after the conclusion of the meet shall make arrangements to receive the awards with the Meet Director at no expense to MARS within 24 hours of the conclusion of the meet.
