Dear Potential Sponsor,

The Aggie Swim Club is a year round, non-profit swim program for swimmers of all ages and skill levels. We currently have over 275 swimmers in our program from all over the Brazos Valley ranging from novice level to senior level competitors.

We believe that children deserve a chance for a healthy, active life which is why we currently offer close to 50 scholarships for swimmers whose families would otherwise be unable to afford to have their child participate in a year-round, competitive swimming program.

In an effort to help raise funds for the Aggie Swim Club, we are offering to you the opportunity to advertise your business in our Meet Programs. These Meet Programs are distributed to over 1,000 people at each of our 3 regional meets during the 2018-2019 swim season with meets taking place in December, March and April. Each of these large regional level swim meets will attract approximately 750-1000 swimmers from across the state and country and will display USA Swimming at its finest level. Each of these 750-1000 swimmers will bring an additional 2-3 family members and spectators with them – bringing the total number of individuals coming to the Bryan/College Station area close to 1500 for each event.

Many of these swimmers, families and spectators either live in the Bryan/College Station area or will return for future meets, so catching their attention now will continue to help your business today and in the future. In addition, your sponsorship will allow the Aggie Swim Club to continue our mission of outreach and encouraging the development of the hearts, minds and souls of our swimmers in the Brazos Valley for success in and out of the swimming arena.

On behalf of our swimmers, we thank you for your assistance.

Thank you again,

Shannon Clark - General Manager & Swim Coach
