FACILITY RULES REGARDING MASKS:

1. All persons must be properly wearing a mask while inside the building.
2. Swimmers need to bring a plastic bag with them for holding their masks while in the water – during both warm-ups and competition.
3. Swimmers are asked to keep their masks on while waiting behind the blocks. Following the short whistles from the referee, swimmers can remove their mask and step up on the blocks.
4. After their swim, athletes must dry off their face and put on a mask before leaving the area behind the blocks. There will be a hook attached to the back of the block if the athlete wants to hang their mask.
5. Swimmers AND coaches will be given 1 warning for violating the mask policy. There will not be a second warning – those individuals will be removed from the facility for the remainder of the session.

OTHER MEET NOTES:

1. There are restrooms upstairs for the athletes. Limit of 4 athletes at a time. This will be monitored.
2. Athletes leaving the pool deck to return upstairs, must do so via the NW stairwell (#6). All swimmers must be dry before entering the stairwell. This will be monitored.
3. There will only be 1 chair behind the blocks for the timer. Swimmers may place their belongings (mask & towel) directly behind the starting block. There will be a hook on the back of the block for hanging their mask.
4. Hospitality will be outside in the tent on the south side of the building. Please use the double doors south of the WU/WD pool for access (#8). Please do not bring food back onto the deck. Drinks are OK.
