

To add a cell number for texting messages please follow the steps below. This MUST be done for the number to be activated for use through OnDeck.

1. Sign In to your team's TeamUnify SwimOffice website.
2. Go to your account profile.

In the side menu click **My Account > My Account**.

3. To add an SMS number for one of the athletes in the account, click the **Members** tab and then click their name; otherwise stay on the current screen.
4. Enter an *SMS* cell number and select its *Carrier*.

**SMS:**   **Carrier:**

5. Click **Save** in the upper right and it will send that number a verification text.
6. Check your cell phone for a "Verify your SMS" text from *notifications+hcacp* and open it. Note that some cell carriers can take a while to deliver the message.

7. Tap the link and you should see one of three possible messages.
  - a. "Success! We have validated your primary SMS." (or "secondary SMS" if that's what you were verifying) The SMS number is verified and ready to receive texts from the team. You may skip the rest of the steps.
  - b. "Sorry, your primary SMS has already been validated." Sometimes just opening the text will verify the number, resulting in this message. The SMS number is verified and ready to receive texts from the team. You may skip the rest of the steps.
  - c. "Sorry, the code XXXX did not match any codes." Continue to the next step.
  - d. If tapping the link doesn't work, note the four digit code number in the text message.
8. Back in your team's SwimOffice website, click the **Unverified** button above the SMS number.
