

## MEMBERSHIP INFORMATION

### Levels

We offer 3 *Membership Levels*. Your first choice is Year-Round, the second choice is Seasonal, and your third choice is Flex (non-competitive). Your Initial Registration Fee (USAS + MAC + Coaching = Initial Registration Fee) is specific to your *Membership Level* combined with your training group assignment. Below is the financial information regarding club membership and what it entails.

### Fees

USA Swimming Registration Fee - USA Swimming or USAS is the national governing body for swimming in the United States. Since our club is a member club with USAS, we must register all our athletes with them.

MAC Registration Fee - When joining MAC, you become a part of the MAC family. You may be joining MAC as a Year-Round member, Seasonal member or a Flex (non-competitive) member. We appreciate all our members regardless of their membership status.

Coaching Fees - Each membership requires monthly a coaching fee that is paid by the 10th of each month. The dues are set and based on the level of the group you are joining. Each training group is unique to the age and athlete skill level. Coaching fees for each group are listed below.
