

Dear Community Member,

Swim Streamline (SSAN) is a year round competitive swim club founded with the specific objective of promoting swimming programs for the benefit of swimmers of all ages and abilities; to educate, train and direct the interests of each swimmer. Our mission is to provide every swimmer an opportunity to improve their swimming skills and to achieve success at the level of their ability.

By supporting SSAN Boosters (a non profit, 501(c)(3) organization) for the 2020-2021 season, you will fund many aspects of the SSAN USA swimming program including providing scholarships for graduating seniors, paying for coach training and travel expenses, purchasing shirts and spirit wear for the team, funding celebrations of athlete and team achievements. Your generous contribution will help SSAN continue to run a top-notch program that provides over 300 swimmers a quality and professional year round swim team experience in the Northwest Houston area.

With your sponsorship we offer a variety of ways to gain positive exposure in the community. Your donation is tax deductible and will provide many advertising opportunities for your business throughout the 2020-2021 competitive swimming season. SSAN hosts several swim meets throughout the season with swimming families from all over the Houston area at each meet. Advertising is available in the electronic heat sheets (meet program), team t-shirts, customized banner displays, social media sites and team websites.

Let's work together to make you a Streamline Booster Club sponsor!

Thank you for your time and consideration,

Deidre Leggiero
