

Welcome to

Congratulations on your decision to join Team YES! Aquatics of Houston! Team YES! is a non-profit, parent volunteer run organization and is a member of USA Swimming. Our goal is to provide an atmosphere that fosters success in swimming and friendships for swimmers of all abilities. Our coaching staff will work with your swimmer to develop their skills, goal setting, respect for self and others, good sportsmanship, and team spirit. To make your experience with Team YES! more enjoyable we ask that you please familiarize yourself with the following areas:

Get Connected: Our team utilizes several methods of communication:

Website: TeamYes.net has everything you need to know and then some. You will use this website to enter your swimmer in meets. The username and password you create for this site will carry over to other Team Unify apps so be sure and remember your login information.

Email: It is important when you register to give us an email address that you check regularly so that you will receive messages from the team.

Facebook: Our group is [Team YES! Aquatics of Houston](#) and is private so you will need to search for it. This is a good resource for communication, lost and found items from practice, USA Swimming videos and messages from our coaching staff.

Remind101: We utilize Remind101 mainly for last minute changes and/or cancellations. You can download the app in your app store or by going to Remind101.com. To subscribe, text @allswimm to 81010

Instagram: Our coaches use Instagram to share things that could be of interest to our swimmers; everything from proper technique to inspirational messages to you name it. It's a private account @teamyeshouston.
