Monthly Dues & Billing (effective 4/10/2022; see dues page 2 for additional details)

Months are not prorated, and dues are not waived for vacation absences. Dues and fee schedule subject to change without notice. When your swimmer is moved from one group to another, you will be billed the monthly dues for the highest group in which he/she participates.

Tier 1 (Novice):	\$85/month
Tier 2:	\$50/month
Tier 3:	\$60/month
Tier 4:	\$75/month

- USA Swimming registration fees and Rainbow Aquatics monthly dues are not prorated and are non-refundable. Monthly dues are to be paid within 10 days of receiving your bill. Dues are used to pay coaches and pool rental fees; prompt payment is therefore critical to the operation of the team. All bounced or returned checks will incur a \$25 nonrefundable fee.
- If a swimmer requests to stop swimming (temporarily or permanently), notify coaches **and** the Board of Directors in writing, **10 days prior to the end of the current month for monthly dues to be suspended at the beginning of the next month**. Each swimmer will incur a \$40 reactivation fee upon return.
- Novice Group swimmers will not incur a reactivation fee for coach-determined breaks (e.g., winter months). If a Novice swimmer temporarily stops swimming outside the coach-designated break, notify the coach **and** Board of Directors in writing **10 days prior to the end of the current month for dues to be suspended at the beginning of the next month**. If the swimmer returns outside of the coach-designated break, a \$40 reactivation fee will be incurred for each swimmer. Monthly dues are not prorated.
- If a swimmer transfers to another team, monthly dues for the month in which your swimmer leaves, plus any outstanding fees, are considered an obligation to Rainbow Aquatics and must be paid before transfer papers will be approved.
