

# DES MOINES SWIMMING FEDERATION ANNUAL SPONSORSHIP PROGRAM

DMSF is a non-profit 501(c)(3) competitive swim team based in the Des Moines metro area. Established in 1982, the program was designed to give athletes the opportunity to develop and perform at their highest level. Our team consists of four different training groups ranging from developmental team swimmers through senior levels. We accommodate athletes ranging from 6 to 18 years of age. Throughout our history, DMSF has qualified several athletes for USA National level meets as well as US Olympic Team Trials. We have recently seen a large growth in our team and are continuing to seek ways to expand and attract new athletes and their families.

The success of our club is dependent upon the financial support of individuals and entities who value the impact our club has on the positive development of its athletes. Your generous support enables DMSF to purchase new equipment, rent additional pool time, and support travel expenses for our coaching staff, and athletes. DMSF has approximately 115 swimmers who compete throughout all of Iowa and the Midwest. One important way an individual or entity can show support for DMSF is by becoming a DMSF Sponsor. DMSF Sponsors are recognized by our club in a number of ways including: recognition on our team banner, on our team website and in our meet programs. By becoming a DMSF Sponsor, your organization and its message will reach on average 350-400 swim families from across the Midwest who regularly attend DMSF hosted meets. Please consider being a DMSF Sponsor today.
