

Parent Responsibilities

Post Meet Meals for Home Dual Meets

With high school swimming and diving in Iowa, it is tradition for the host of dual meets to provide competitors with a post-meet light meal. An example of such a meal is a cold-cut sandwich with chips or a piece of fruit and bottled water. Another is a plate of spaghetti with bread, cupcakes and bottled water. All the schools with which Linn-Mar travels to compete in dual meets will provide this for Linn-Mar's team. As such, it is also Linn-Mar's responsibility to do the same for schools that visit the Aquatic Center for dual meets. In the past, parents of the girls Swimming and Diving team have worked together to provide these meals. For the 2018 season, parents will once again be asked to contribute. This is not a requirement, but assistance is needed. Please be willing to help if you are able.

Breakfasts

During the past season, parents worked together to provide breakfasts for the swimmers when they concluded their morning practices. The divers did not usually have morning practices, but when they did, they were also invited to eat breakfast with the team. The girls really appreciate this and it brings the students together and helps with team chemistry. However, it requires the parents to organize, staff, donate and contribute. If there are not enough parents willing to help with breakfasts, these will not be offered. More information about this will be available at the start of the new season.

Brown Bags

In the past, parents have worked together to make Brown Bags for students when the team was traveling to away meets. Once again, the girls appreciated this greatly. Parents will need to organize, volunteer and donate items if this tradition is to continue.

Booster Club Activities

The Linn-Mar Booster Club supports the Girls High School Swimming and Diving team by running concessions at all home meets and by providing financial resources that fund the team's activities. In return, parents of members of the Girls Swimming and Diving team and the students themselves are asked to help with running concessions at other Linn-Mar events. Pete King is the chair of the Booster Club. Please communicate with the Linn-Mar Booster Club Parent Reps if you are willing to help by volunteering with an upcoming concession stand assignments.
