The Team items can be purchased from SplashMultiSport by clicking the Team Store tab at the top of the Team website or by clicking the link in the Partner area below the login box on the team website.

If ordering the personalized Team Cap (they come 2 per order) from SplashMultiSport please be aware that they need a minimum of 25 caps before they send the order in to be printed. So realize there may be some wait before you receive your caps.

Non-personalized Team Caps are available from the Club. Please see Coach Bramer or a Board Member for these.
