

2022 USA Swimming Membership Reimbursement Request for Officials

Boise Swim Club would like to thank all of our volunteer meet officials (Stroke and Turn, Starters, Referees, and Admin). Not only do we ask these officials to give up weekends working at swim meets but officials are also required to be non-athlete members of USA Swimming. Membership dues for 2022 are \$76/non-athlete member. Each on deck official must be a dues paying member in order to officiate at our swim meets.

We have budgeted to help offset the cost of USA Swimming membership for our volunteers. We are asking those officials who wish to be reimbursed for their 2022 membership to fill out the form below. Each family member requesting reimbursement must fill out a form. A credit of \$76 will be applied to your swim team bill once you have worked 5 meets and your request is received.
