

# Coeur d'Alene Area Swim Team Sponsorship

(CAST is Non-Profit & Tax Deductible)

Thank you for considering a sponsorship to support competitive swimming for the youth of the Coeur d'Alene Area Swim Team (CAST). Your sponsorship will fund many aspects of the non-profit CAST programs. These may include: swimming and physical conditioning equipment, pool fees, awards, coaches travel expenses, office, printing and mailing supplies and team apparel.

The positive exercise benefits of swimming are well known. But for children, age group competitive swimming does much more. They develop life skills such as confidence, discipline, self-esteem, sportsmanship, teamwork, time management, and personal responsibility; our swimmers are becoming strong in many ways. Help us continue to provide this valuable program to our youth. The Coeur d'Alene Area Swim Team contributes to the future of our community by offering youth precisely the experiences they need to become successful adults.
