

Dear. Partner,

Velocity Swimming is a year-round competitive swim team serving The Wenatchee Valley and North Central Washington. It is a non-profit organization with a mission of promoting life skills through the sport of swimming. Velocity's mission encompasses health & wellness, water safety, and drowning prevention. Our team facilitates instruction and programming supporting these objectives in the community.

Velocity Swimming could not fulfill its mission without the generosity of our community. Velocity uses funds raised through corporate sponsorships to keep the costs of swimming affordable to all families. Without generous donations such as yours, the team would need to raise tuition costs to swimmers in order to cover coaching and pool use expenses.

Would you consider partnering with us during the 2019-2020 swim season? In addition to helping a great cause, your sponsorship allows our organization recognize your generosity through media coverage as well as in advertising through our heat sheets, sponsorship board, spirit shirts, and at our local swim meets. Please return the sponsorship card in the self addressed envelope to secure your partnership today!

Respectfully,

The Fundraising Committee of Velocity Swimming
