

Service Hour Requirement

Updated 8/11/2014

As parents of swimmers, there are financial obligations, responsibilities to your athlete, the sport and to Walla Walla Swim Club. Your primary responsibility is to provide love and support to your swimmer, however, the financial and volunteer support provided by you is critical to maintain the top level coaching staff and functionality of the swim club program. Funding for WWSC is derived from registration fees, monthly dues, donations, and fundraising events (High School Meets, Whitman Meets, January Storm, Swim-a-Thon, and Ballonsday Fun Run). These dues and funds are primarily used to pay coaches' salaries, travel fees, pool rental and equipment expenses for the WWSC.

SERVICE HOURS ARE REQUIRED as a registered family of Walla Walla Swim Club.

Parents play a vital role in our organization. Based on the WWSC events within the city of Walla Walla, the WWSC Board estimates there is ~1,350 service hours available during the course of the swim season and there are many options to choose from to complete the necessary Service Hours (see list below). For the current swim season, the WWSC board will require 20 hours of service for each family. First year families will be exempt from completing Service Hours.

At the end of the season (July), a \$10 fee for each unfulfilled hour will be assessed.

Note: Lane Timing away swim meets and high school meets do not count towards Service Hours. However, due to our commitment with Whitman College, lane timing during Whitman meets will count. Lane Timing at January Strom will also count.

Service hours will be tracked via the WWSC web page through Team Unify. Jobs for team events will be posted, with approximate service hours required for each job. Adjustments will be made as needed if hours are over/under the approximation for the event.

Jobs: Deck officials, Meet Manager computer program operator, DAX (timing console) operator, lane timing (Whitman Meets), Head Timer (January Storm), Meet Marshall, Concessions, Head Sheet sales, Hospitality, results runner/poster, awards, Meet Director, Board Member, Set-up/Clean-up (all swim meets hosted at Whitman), Clerk of Course (for younger age swimmers at January Storm), Announcer, Fun Run Committee, Swim-a-Thon Committee, Ballonsday Fun Run, etc...

Service Hour Requirement

Updated August, 2014

Parents play a vital role in our organization. As parents of swimmers, there are financial obligations, responsibilities to your athlete, the sport and to Walla Walla Swim Club. Your primary responsibility is to provide love and support to your swimmer, however, the financial and volunteer support provided by you is critical to maintain the top level coaching staff and functionality of the swim club program. Funding for WWSC is derived from registration fees, monthly dues, donations, and fundraising events (High School Meets, Whitman Meets, January Storm, Swim-a-Thon, and Fun Runs). These dues and funds are primarily used to pay coaches' salaries, pool rental and equipment expenses for WWSC.

SERVICE HOURS ARE REQUIRED as a registered family of Walla Walla Swim Club.

Based on the WWSC events within the city of Walla Walla, the WWSC Board estimates there are approximately 1,350 service hours available during the course of the swim season and there are many options to choose from to complete the necessary Service Hours (see list below). 20 hours of service is required for each family. Families who are in their first year of swimming are required to provide 10 service hours. **At the end of the season (July), a \$10 fee for each unfulfilled hour will be assessed.** Service Hours will be pro-rated (2 hours/month) for swimmers that take time off during the course of the season.

Service hours will be tracked via the WWSC web page through Team Unify. Jobs for team events will be posted, with approximate service hours required for each job. Adjustments will be made as needed if hours are over/under the approximation for the event.

There is a job for everyone! Jobs Include: timing*, concessions, heat sheet sales, fun run, fun run committee, hospitality, posting results, awards, Set-up/Clean-up for team hosted meets, board member, Clerk of Course (for younger age swimmers at January Storm), Deck officials, Meet Manager computer program operator, DAX (timing console) operator, Head Timer (January Storm), Meet Marshall, Meet Director, Announcer, Fun Run Committee, Swim-a-Thon Committee, Ballonsday Fun Run, etc...

***Note: Timing at high school meets does not count towards Service Hours because this is an obligation of WaHi swim parents. However, due to our commitment with Whitman College, timing during Whitman meets will count.**
