GET READY!!!

Bring on the Heat - the first Invitational Swim Meet of the season is this weekend!! For those swimmers that are new to Invitational meets, here are a few things that are different from the 2 tri-meets. First it is spread out over a few days (Friday evening, Sat & Sun) and broken into sessions by age. Friday evening all ages swim, Saturday & Sunday the 13 & over swimmers swim in the morning while the 12 & unders swim in the afternoon. Second there will be a lot more swimmers/teams and each swimmer is allowed to swim up to 10 events over the 3 days. While this is a bigger meet, our goals for the meet remain the same—swim fast, cheer for your teammates and have fun! GO BLUE DEVILS!!

APPAREL INFORMATION

Swimmers must wear a BDSC cap this weekend. Coach Karin & Coach Jami will have some for sale for \$10 a piece. Just ask us for one and we can either charge your account or take cash. We do have a new team suit for sale on the team store. Place your order [here](#). While we understand that the team suit will not be delivered in time for the meet, we ask that the suits do not have zippers or ties anywhere expect to tighten boys suit.
