## Fall 2021 Registration Edition

**Deerfield Park District Fall Registration opens online tomorrow, Monday August 2nd - including COHO.** We are happy to announce that we are back to a normal practice schedule and registration process this fall!

**NOTE:** We have enough space for **ALL** current members, so you do **NOT** need to panic if you cannot register right when it opens on Monday 8/2/21 at 7:00am. In addition, COHO non-resident participants **CAN** register starting 8/2/21. General DFPD Fall Registration is advertised as resident only starting on August 2nd, with non-residents being able to register starting August 9th, but this does **NOT** apply to COHO. **All current COHO swimmers, resident and non-resident, are able to register starting on August 2nd at 7:00am.** If you have problems registering, or find that a group is full, please email Coach Nancy at [nancy@teamcoho.org](mailto:nancy@teamcoho.org). **Once again, we have room for all current COHO swimmers this fall.**

Coaches have already emailed families of swimmers who are changing groups for the fall, and you can also check your swimmer's group assignment in Team Unify or the OnDeck app.

- In **Team Unify**, click on MEMBERS, then click on the SWIMMER'S NAME, scroll down to MEMBER SETTINGS and you will see their ROSTER GROUP assignment.
- In **OnDeck**, click on MEMBERS, then click on the SWIMMER'S NAME, and you will see their group assignment right under their name next to their age.

**In addition to continue using Sachs for Developmental groups, we will also be back practicing at DHS this fall!**

The exact schedule is not set, but will be posted once confirmed.

**NOTE:** for all groups except Masters, payment of the COHO Club Fee (which includes a team t-shirt, team cap, and \*meet entry fees for the fall season) is built into group program fees.

\*There may be additional charges for Championship and optional travel meets.

**This fee is:** Minnows=\$35.00; Sharks & White=\$50.00; Blue=\$65.00; Red & Gold=\$85.00.

Also, current COHO swimmers will NOT need to pay the USA/IL Swimming fee until Winter registration.
