

2019-2020 Delta Aquatics Short Course Meet Schedule

Below is a list of meets Delta Aquatics will be attending this season, as well as some basic information for each meet. More detailed information can be found on deltaaquatics.com under Events/Meets by clicking on Sign up for Meets and choosing the desired meet. Be sure to take note of the Registration Deadline for each meet. No changes will be made to our entry after that date, so be sure to sign your swimmer(s) up prior to the deadline.

Please sign up for the meets ONLINE at deltaaquatics.com no later than the REGISTRATION DEADLINE. The sign-up can be found on each individual meet page by clicking "Attend this Event". Once you have finished your meet registration, you will receive a confirmation email with a \$0 balance. This can be a bit misleading. Please remember that families will be billed for their entry into the meet once the registration deadline closes and we have been accepted into the meet by the meet host. Entries fees are listed on each individual meet page and are non-refundable. Should you not be able to swim a particular meet after the Delta entry has been completed and sent to the meet host, you will still be responsible for payment of the meet fees. Please contact Coach Jessica if you have any questions.
