## And we're off!!! Stroke Clinic Opens Today!

Please visit [swimest.org](http://swimest.org), log in and register for all or part of the season, the Sept. 12 Touch the Wall showing and the Oct. 11 special practice. The Nov. 22 clinics EST hosts with Fitter Faster are also open for registration (EST pays \$50.00 of fee for eligible swimmers). Be sure to enjoy a great weekend and register now for the Holland, MI meet (10/24-25).

## **PARENT VOLUNTEERS NEEDED:**

EST is looking for any parent(s) to serve as concessions chair or co-chairs. The volunteers will manage concessions (food, beverage and any EST articles), heat sheet sales, and the 50-50 raffle. EST schedules volunteers to assist in the actual staffing. The busiest weekend will be December 11-13, and the work is otherwise limited to planning for a shopping trip prior to Friday evening work when we host smaller meets. EST is also interested in putting new parents in touch with current board members so that they can learn more about EST operations. Over the next year or so, we would like to “train” new parents in the area of website operation, registration and other areas. EST is also looking for someone to help the Treasurer. Interested? Please email Mark Daniel at [president@swimest.org](mailto:president@swimest.org).

Parents, officiating is a fun component of your involvement in your swimmers' fitness and competition. Visit [swimest.org](http://swimest.org) and follow the links under the "Pools/Officials" menu. Please register now. *We will catch up on football at Riley's after training.*

### EST Thank-You's

EST bids farewell for now to Nancy Morley and Teri Ford who gave a lot of time and effort as Treasurer and Concessions Chair, respectively. EST also appreciates the work of Andriani Siavelis and Dan Harrington during the registration period. EST thanks the Choi, Heslop, Jones, Maiers, Shemroske, Tase, and Waldherr families for going a bit beyond the call recently with a variety of contributions to the team. Whether the assistance arises through the contribution of time beyond that which is expected or financial, EST is grateful.
