ILLINOIS SWIMMING OFFICIALS WANTED!! - info linked

Looking for an opportunity to be on deck alongside your athlete? Get involved in your athlete's favorite sport? Elmhurst Aquatics is currently looking for officials from our own club. It takes a small army of volunteer officials to host a meet and often we rely on officials from other clubs to run our hosted meets. With more officials from Elmhurst Aquatics, we would have the opportunity to host smaller dual meets at home.

Questions or Interest in becoming an Official? Please contact Board Member and IL Swimming Official - Meet Referee **Andrew Morgan**.
