

**RED ALERT ... RED ALERT ... RED ALERT**

All Express practices for Saturday, November 30th have been CANCELLED by the school district. On Saturday, North High will be CLOSED from 8:00-10:00 AM as there will be a helicopter delivering building units to the school and all access will be denied during that time frame. Rentals scheduled to begin at 10:00 AM were also cancelled in the event that delays or complications with the delivery occurred. I requested pool time at South campus in-and-around the DGS HS Swim Team practice and Hornet practice, but was denied. Additionally, my request for access to North later in the afternoon on Saturday was also denied due to a concert scheduled in the auditorium. Sorry for the late notification, I was truly hopeful we might be able to work something out, but was unsuccessful.

The December practice schedule will be posted and distributed in the next couple of days. As a "heads-up" ... on December 1st we switch our practice building locations .. On Mondays, Thursdays & Saturdays we will be at NORTH Campus and on Tuesdays, Wednesdays & Fridays, we will be at SOUTH Campus.

Happy Thanksgiving to All Express Families!!
