FV FY FALL KICK OFF CLASSIC

Aqua Force is excited to be hosting the Fall Kick Off Classic swim meet this month! This is a great meet for swimmers of all levels. For newer swimmers, it is a good opportunity to experience a bigger swim meet while in the comfort and familiarity of our home pool.

This meet is a major fundraiser for our team. We need support from ALL Aqua Force families to make this a successful meet. Even if your swimmer is not swimming at this meet, there are still ways to help!

SIGN UP TO VOLUNTEER ON TEAM UNIFY!

There are many volunteer opportunities that we need to fill. Families are required to provide at least one volunteer per session that your swimmer(s) is signed up for. You do not necessarily need to volunteer at the same session that your swimmer is in (you can volunteer during the morning session even if your swimmer is in the afternoon session). Go to Team Unify to see a list of available volunteer opportunities and sign up!

DONATE FOOD ITEMS!

Sign up and bring in food items for the team to sell at concessions during the meet.

Congratulations to our October Star Swimmers!

Katie Divin is a Star Swimmer from the White Practice group. Katie is 9 years old and in 3rd grade. She has been on swim team for 2 years. Katie's favorite stroke is the Freestyle. Her favorite thing to do when not swimming is to play video games and her favorite food is pizza. The coaches selected Katie as a Star Swimmer because she always shows up to practice with a smile and focuses hard at every new skill she learns.

Heidi Glaser is a Star Swimmer from the Purple Practice group. Heidi is 10 years old and in 5th grade. She has been on the swim team for 4 years. Heidi's favorite stroke is the 50 Fly. When Heidi isn't swimming she likes to relax and ride her bike. Her favorite food is burritos. The coaches selected Heidi as a Star Swimmer because she has a very positive attitude. She gives her best effort at practice and is friendly and supportive of her teammates.

Aidan Torres is a Star Swimmer from the Purple Practice group. Aidan is 10 years old and in 4th grade. This is his first year on Aqua Force. His favorite event is the 50 Freestyle. Aidan likes to play outside and watch tv when he isn't swimming. Aidan's favorite food is orange chicken. The coaches selected Aidan as a Star Swimmer because he always has a great attitude. He brings his full effort every day. He is very helpful and always asks what he can improve on.

Sophia Gonzales is a Star Swimmer from the Black/Senior Practice group. Sophia is 13 years old and in 8th grade. Sophia's favorite stroke is the Breaststroke. When Sophia isn't swimming she likes to read. An interesting fact about Sophia is she laughs at the weirdest moments. The coaches selected Sophia as a Star Swimmer because she comes to practice every day with smile on her face. She is willing to help the team in any way we ask.
