

FUNDRAISING INFORMATION

FALL/WINTER 2021-2022

Each season, the JETS participate in a fundraising opportunity. Each family is required to fulfill a fundraising obligation of \$150 per athlete, up to \$300 per family. There are three options to complete this fundraising requirement:

- Buyout option (pay an additional fee during registration)
- Retail fundraiser (sell items)
- Obtain a sponsorship

Retail Fundraiser

Participate in the JETS retail fundraiser by selling the required number of items. Details for this fundraiser will be added to the website and emailed to all families.

Savory Sweets refrigerated cookie dough will be 100% online this season with a 1-day bulk pick-up for distribution. Families with 1 swimmer will be required to sell 25 units to fulfill the fundraiser obligation. Families with 2 or more swimmers will be required to sell 50 units to fulfill the fundraiser obligation. Families unable to fulfill the required unit goals will be billed for the remaining balance of the fundraising obligation (\$150 for 1 swimmer or \$300 for 2+ swimmers).

The fundraiser will kick off on September 16th, running through October 14th with a scheduled pick up day the week of November 8th.

The difference in the amount raised through the fundraiser event and the fundraiser obligation will be billed to your JETS account on December 1. For any questions regarding the fundraiser, please contact the JPAC Fundraising Chair, Lacie Pifko at laciepifkojpac@gmail.com.

IMPORTANT NOTES:

The program has changed slightly due to COVID-19:

- Families/swimmers will enter all sales through the app "Scoreboard FR"
- All sales material is sent digitally. No paper forms.
- Credit/Debit card sales only
- All items are \$18
- 2-3 week selling time (September 16th - October 14th)
- Bulk order shipment 1-day pick up (Week of November 8th). We will let you know the exact date ASAP.

After the initial cookie dough sale, swimmers/families/friends will be notified of new seasonal items for sale monthly. These continued sales will generate continued profits to the team via website/app (though these additional sales cannot be applied to fundraiser obligations). Orders are done by swimmer/family/customer and directly shipped to them.
