

Hello Jets Families:

Your JETS team has partnered with USA Swimming to host a Swim-a-Thon on November 13, 2022 at our Galowich location. We are setting our goal at \$15,000 this year. Last year we raised nearly \$12,000 so I know as a team we can make our goal.

Each swimmer will have an opportunity to swim as many laps as possible within 1 hour. Families will choose an individual to count laps for their swimmer. Mach 1, Mach 2 and Mach 3 swimmers will go from 1:00-2:00pm; Zepplin, Glider and Stunt Pilot swimmers will go from 2:00-3:00pm. Prizes have been assigned for lap and donation leaders.*

Let's dive in, it's time to make a splash, we can reach our goal together!!

Participation will meet your fundraising requirement if you get donations of \$150 for each swimmer (or \$300 for families with 2 or more swimmers). Even if you have opted out of fundraising, your swimmer(s) are still encouraged to participate in this FUN team event.

PRIZES:

From USA Swimming:

Swim 100 to 200 Laps= Bag Tag

Raise \$400-599.99 = Silicon Swim-a-Thon Cap
